PROFESSIONAL ACTIVITY DAY

Staff engaged in a half day collaborative learning session focused on supporting student success in math outlined in our School Improvement Plan. We continue to work towards building capacity to empower students to participate actively in:

- understanding the mathematical ideas, skills, and thinking processes needed for complex problem-solving;
- articulating their understanding in different ways; and
- developing the characteristics of perseverance, resilience and imaginative thinking.

KEEPING OUR SCHOOLS HEALTHY

It is the time of year where the flu virus is hitting many of us. Remember to wash your hands often and ensure students are fever free for 24 hours before returning to school.

AUSSIE X

We had parents and students participate in X Movement Wednesday evening. Thanks to all of our families that joined us for a night of X Fusion Movement and Mindfulness.

KEY DATES

COMMUNICATING THROUGH ART

Thank you to our intermediate student artists who have created fabulous works of art focused on a communication techniques

WINTER WALK DAY-FEBRUARY 7-2018

On Wednesday, February 7th, Legacy students kindergarten to grade 8 will join schools across Canada to celebrate Winter Walk Day.

All students will participate in a winter walk from 11:15am-11:45am. Parents are welcome to join us for our school walk in the yard and on the track.

Also, consider walking with your child to school this Wednesday. Grab your mittens, hats and boots and be a part of this fun winter event!

Winter Walking Tips:

- Keep hands and head covered to prevent heat loss
- On really cold days wear a scarf over your face and mouth.
- Wear warm, waterproof boots.
- Wear a warm coat that deflects the wind.
- Woolen clothing helps to retain the heat.
- Wear clothing or carry knapsacks with reflective material – it's important to be seen.
- If possible, change wet clothes at school – tuck an extra pair of socks and mitts into knapsacks.

Keep Active in the Winter!

Legacy kicks off the Winter Olympics with Day 3 Skating on the outdoor rink.

Bring your skates and helmet and make sure you are dressed for the weather.

We will have supervision on the rink for morning recess.

Skate Days: Friday, Feb. 9, Friday, Feb. 16 and Monday, Feb. 26

We are looking for volunteers to help with tying skates and helping on the ice. We are also looking for skates and helmets. Let the office know if you are available on the above dates or have skates or helmets that can be borrowed for February.
