## Chinese New Year Activities

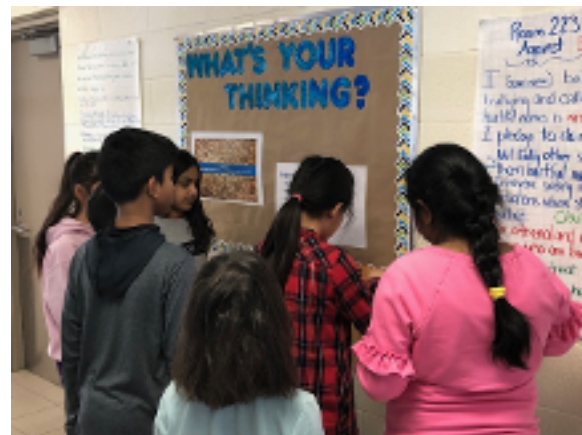

**Students enjoyed participating in Chinese New Year activities this week. Some intermediate students created and performed a dragon dance for junior and primary students. Thank-you to our Equity team for this celebration!**

## Student Math Problem of the Month

Legacy Students were invited to share their mathematical thinking about estimation on our math challenge bulletin board.

What is your thinking?

There will be a math challenge every 2 weeks for students to investigate and communicate their thinking. If students submit an explanation of their thinking process their name goes into a draw for a math prize.

Play games that promote math learning (see Resource for Supporting your Child <http://www.yrdsb.ca/Programs/Math/Pages/default.aspx>)

To find out what your child will learn in math this year or to find other fun activities that you can do together as a family, please visit <http://www.yrdsb.ca/Programs/Math/Pages/default.aspx>.
