NEXT YEAR'S CLASSES

On Tuesday morning, teachers and students will come together to form their new classes for 2018/19 and have some time to meet their next grade classmates. These class formations are based on our present enrollment and could change in September.

Fire Fighter Fun

The primary students had a visit by our local fire fighters who spent time cooling them off. There was a lot of screaming combined with a whole lot of fun!!!

National Indigenous History Month

Staff and students continued our First Nations learning this month to support our Truth and Reconciliation Commission and the Calls to Action to teach curriculum related to residential schools and Aboriginal history and commit to build student capacity for inter cultural understanding, empathy, and mutual respect.

Staff participated in a Blanket Exercise with YRDSB curriculum consultant Towana Brooks on Monday. The KAIROS Blanket Exercise is an interactive learning experience that teaches the Indigenous Rights history. Developed in response to the 1996 Report of the Royal Commission on Aboriginal Peoples — which recommended education on Canadian-Indigenous history as one of the key steps to reconciliation, the Blanket Exercise covers over 500 years of history in a one and a half hour participatory workshop. [CLICK HERE TO LEARN MORE.](#) The library has been updated to include a plethora of resources and materials for students to support a greater understanding of our original inhabitants of Canada.

THANK-YOU LEGACY VOLUNTEERS

Thank-you to our School Council for a fabulous teacher luncheon on Friday. It was delicious and all staff were able to enjoy this time together. We as a staff and school community depend on your support and appreciate the time you give for our students and school activities!

THANK-YOU

What a beautiful evening to celebrate the Arts at Legacy PS

Thank-you to staff and students for making this night such a huge success!

MUSIC IN THE AIR

Celebration of First Nations Learning

As part of our Truth and Reconciliation activities this month, students learned about colonization, the importance of reconciliation and residential schools. Students participated in the "Project of Heart" where students created reconciliation tiles with a message dedicated to our First Nations People. Classes also created authentic dream catchers after the presentation by Chad Solomon.

We all are beginning to understand the importance of acknowledging the land we live on and the original inhabitants of this land, Indigenous Rights and reconciliation.

We are excited to continue this learning and embed the 7 grandfather teachings into our school culture at Legacy PS next year.-- Truth, Honesty, Bravery, Wisdom, Love, Respect, Humility
