SCHOOL COUNCIL

Our last School Council Meeting is on Monday June 18th. Please join us in the school library from 7:00-8:30 pm.

HOT WEATHER

During hot, humid weather, our school office tracks temperatures and humidex levels hourly. If the temperature combined with humidity is above 35 degrees Celcius we will ensure the following:

- rescheduling activities to another time or day,
- encourage students and staff to make use of shady areas,
- keep blinds closed,
- allow students to have frequent access to water
- ensure all classrooms have fans
- If necessary, classes can work in the cooler hallways, the library or even the gym.

We remind families to ensure children have hats, sunscreen and wear light clothing daily to protect themselves from heat and UV rays.

If you have any concerns about your child and the health effects with heat, please contact our school office.

Early Dismissal in Elementary Schools

All schools in the York Region District School Board are committed to improving student achievement and well-being.

On Thursday, June 28, 2018, an early release day will take place to allow elementary teachers and support staff to take part in meetings during the afternoon of that day. These meetings will allow for school staff to engage in culminating activities regarding the review and revision of the School's Improvement Plan as well as year-end and transition activities that support student success.

As has been our practice in the past, students will attend school during the morning of Thursday, June 28, 2018 only. **Students will be dismissed early that day at 12:00 pm.**

Arrangements will be made to ensure that students who are normally bused to and from school will receive transportation at this time. Parents/guardians whose children attend after school child care should make appropriate arrangements to address this change in schedule.

Please contact our school office for further questions

GIRLS CAN RUN

Some of our Legacy Girls Can Run group participated in the Unionville Festival Funky 5K Run on the weekend.

Parents and students enjoyed the day and a big congratulations to all our runners who finished the race in under 40 minutes.
