LEGACY eBulletin

Hot Weather Ahead

So far this summer we have been very lucky to have cool weather. However, it looks like next week we are back to summer temperatures. Our school is cooled only by fans. Students are encouraged to make full use of our waterbottle filling station to stay hydrated, should wear cool clothing and we will make every effort to manage the heat throughout the day by using the shaded areas outside as learning spaces.

Friday will be Beach Day. Students can participate by wearing their most festive beach attire (No bathingsuits please!!).

School Council

Legacy would like to thank the dedicated members of our School Council for the work they have done this year to support student achievement and wellbeing.

Some of the initiatives headed up by the council were:

-Food Drive -Legacy Sportswear

-Planning our Outdoor Classroom -Creation of the Safety Committee

-Fundraising support in the Silent Challenge -Family Stem Nights

The council is a forum to discuss policies and procedures in the school and give feedback and share perceptions. All parents are encouraged to attend meetings. Our elections for voting members will begin in September with voting happening during the day on Monday September 18th (with executive being determined at the inaugural meeting that evening).

A note about a Board Policy for your consideration:

Our Board remains committed to seeking feedback on policies as part of our review process.

On April 11, the Minister of Education provided 22 directions to the York Region District School Board. This included the development of policies for the selection and evaluation of the Director of Education.

The Board of Trustees is responsible for hiring and monitoring the performance of the Director of Education who oversees the day-to-day operations of York Region District School Board. The following policies and procedures were developed in conjunction with a committee of trustees, staff and community members.

Director of Education Selection

Director of Education Performance Review

We invite you to share your feedback on these DRAFT policies and procedures. Please submit feedback to trustee.services@yrdsb.ca by June 16, 2017. Please include the reason for your suggestions and specific, alternate wording.

The Board values input from our partners in education and thank you for taking the time to review the policies and for your ongoing contributions to public education in York Region.

Girls Can Run

A few Legacy girls braved the weather and participated in the Unionville Funky 5K to raise funds for the Markham Stouffville Hospital. The coaches are extremely proud of their effort, all our girls ran the course in under 40 minutes. Caroline C. and Catelyn H. completed their run in 27 minutes. Way to Go Girls!!

ME to WE Rafikis.

Once again, the Legacy Me to We Team will be selling Rafikis to raise money for the Me to We Global Organization.

Each bracelet is handmade with love by a woman in Kenya, empowering her to earn a living and create a better future for her family and her community. Every Rafiki also gives back, by donating to a community overseas through a life-changing impact like clean water or school supplies.

Please return completed order forms and money by **Tuesday, June 13th** to your child's homeroom teacher. You may order bracelets through Cash Online, but all completed forms **MUST** be returned as well. Bracelets will be delivered to students within a week. To see colour versions of each bracelet, please visit the We.org website, or refer to the order form on the weekly.

Thank you so much for your support. Together, we can BE the CHANGE!
