## FORKS AND SPOONS

Please remember to pack spoons and/or forks with your child's lunch. Many students are coming to the office daily to ask us for a fork or spoon. We have a limited supply to hand out.

Part of our ECO-SCHOOL focus is to reduce the amount of garbage we create daily as a school community. Be packing reusable utensils, this helps our school's environmental initiatives!

## CHANGING WEATHER

As the temperature changes from warmer weather to freezing weather, and vice versa our walkways and back tarmac, the water freezes, melts and freezes again leaving a thin layer of ice in many areas.

Please be very mindful in the mornings walking on the back tarmac to not slip and fall. Our caretakers ensure the walkways are clear of ice and treated with "Melting Agents" every morning, but the tarmacs

## UNITY AND UNITED SAFETY ASSEMBLY

As part of our Safety Month, Officer Jen visited Legacy PS on February 27th and talked to students about personal safety. Topics included:

- Wearing seat belts
- Bicycle safety
- Street safety
- Ensuring parents/guardians know where you are at all times

York Regional Police have added two safety superheroes to their force. Unity and United joined the assembly and took time to visit classrooms. Students enjoyed interacting with these superheroes! Thank-you to our York Region police Partners in Education!

# Contribute to Strategic Planning at YRDSB - Upcoming Town Halls

York Region District School Board is revising its Multi-Year Plan (MYP) and Board Improvement Plan for Student Achievement and Well-being. The Board of Trustees is responsible for setting the strategic direction of public education in York Region public schools. The MYP incorporates the direction established by the Trustees with feedback received from all stakeholders, and will inform decision making at the Board in the years to come. Town halls will be taking place across the region and feedback collected from families and community members will inform the creation of a new MYP. Your voice is important and your input and feedback will help York Region District School Board support student achievement and well-being. There will also be other opportunities, including a survey available in April, to share your thoughts if you are unable to attend a town hall.
