HAPPY EASTER

Happy Easter to all our families of the Christian faith who celebrate Easter. It is considered to be the oldest and most important festival in the Christian year, as the story of the death and resurrection of Jesus is meant to renew a Christian's commitment to living a life of truth, justice and love. Many Christians will mark Easter by attending Church services over the weekend, and for some, this includes a midnight mass and candlelight vigil on Saturday. Families often gather together for dinner on Sunday to celebrate the resurrection. To all our families who celebrate, we wish you a restful and reflective weekend.

AUTISM AWARENESS

Autism awareness plays a vital role in improving the quality of life for people on the spectrum and their families. Awareness is important. By being aware, we can understand. We can empathize. We can restrain our judgments. We can be helpful. We can learn. We can teach others what we know. April 3rd-6th is Autism Awareness week at Legacy Public School. There will be information and activities for students throughout the week to support learning more about Autism. **Don't forget to show your support by lighting it up blue by wearing blue on Tuesday April 3rd!**

GIRLS CAN RUN AT LEGACY PS

Legacy Public School is excited to once again offer the Girls CAN Run program for Grades 3-6. This program was developed to provide every girl with an opportunity to recognize their potential through fitness and nutrition education. It focuses on developing self esteem, self respect and a love for fitness. Training sessions will include activities and discussions about issues especially important to girls. The group will meet twice a week (Day 1 and Day 3) to train for a celebratory 5K Run/Walk on Sunday June 3, 2018. This program supports the girl's sense of achievement as well as a framework for setting and achieving life goals. The result—making the seemingly impossible, possible, and teaching girls that they can.

Any girls interested in joining Girls CAN Run should speak to Mrs Ambtman, Mrs Gardner, Mrs Lowe or Mrs Rands or ask at the school office.

School Cash On Line is an easy, safe and convenient way for families to pay online for extra curricular items and events including yearbooks, field trips and lunch orders. It helps to reduce paper and the amount of cash/cheques handled by parents and students.

Families can make payments by using School Cash On Line, cash or cheque.

You can register for [School Cash On Line](#) at any time. There is also a button on our school website. Once you are registered, you will be notified of any new items available for your child.
