Principal: Shelley Jones

School Email: legacy.ps@yrdsb.ca

Vice Principal: Leeanne Hoover-Joy

Phone: 905-472-4764

ROAD SAFETY

We are noticing some parents stopping along Russell Jarvis Drive and Rouge Bank to quickly drop off their children in the morning or pick up their children in the afternoon.

These areas along Russell Jarvis Drive and Rouge Bank are NO STOPPING/NO PARKING ZONES between 8:30 -9:30 am and 3:00 -4:00 pm.

This has been implemented from the City of Markham in partnership with Legacy PS to keep our streets safe for children and families walking to school.

Please understand that Markham By-Law has been notified of cars stopping and/or parking along this area. It is not acceptable to stop along these areas at any time or for any length of time. As a school community, we are all responsible to adhere to these safety considerations on a daily basis.

If you have any questions or would like to discuss this further, please contact the school administration.

NEW ABSENCE REPORTING

BEGINNING MONDAY, MARCH 23rd

We are pleased to let you know that we have a new telephone attendance reporting system. This is in addition to online absence reporting through Edsby.

To enhance our safe arrivals system, this new telephone system will reduce the time it takes to verify student attendance. It will also confirm student absences that have not been verified by automatically calling you.

If your child is going to be absent or late, please let us know before bell time (9:00 am) by:

1. Calling 905-472-4764 and select the option "To report a student absence or late."

or

2. Using EDSBY "Report an Absence" feature.

FAMILY MOVIE NIGHT

On Wednesday, March 11th, all families from Kindergarten to grade 8 are invited to Legacy PS for a FREE family movie night.

Come and enjoy an evening with us in our gym from 6:30-8:30 pm.

Abominable

Popcorn and juice will be available to purchase for \$2.00

UPCOMING KEY DATES

Mar 11th-Earth Rangers

Mar 11th-Family Movie Night

Mar 13th-Spirit Day-Wear Green St. Patrick's Day

Mar 16th-20th-March Break

Please check our Calendar at:

YRDSB launched its very own podcast, the first of its kind in Ontario. Episodes so far have focused on Black History Month and the accomplishments of Black system and community leaders. We look forward to continuing this conversation in the coming months, while adding additional topics that are relevant to the YRDSB community.

Tune In YRDSB

is available on most major podcasting networks, including Apple Podcasts, Google Podcasts and Spotify. You can also subscribe on your favourite podcast platform.

Painting by Numbers by nrich

<https://nrich.maths.org/7020&part=>

With painting by numbers, a line drawing is split into regions which are to be painted according to the rules that:

- 1) No two regions of the same colour can share a border
- 2) Two regions of the same colour are allowed to meet at a point.

Consider these two images, one made from intersecting ellipses and one made from overlapping rectangles (include the outer square boundaries in the image)

What is the smallest number of colours needed to colour these pictures according to the colouring rules?

Prove your results clearly.

For more information on this task:
