STACKING CLUB CHAMPIONS

The Legacy Stacking Club has enjoyed another wonderful year. Sport Stacking is a great activity for all that develops hand-eye coordination, ambidexterity, focus, self-confidence, teamwork, cooperation and fair play. We began in November by again being part of trying to break the Guinness World Record of "The Most People in the World Stacking at the Same Time". At the May 12 "Battle of the Schools Tournament", a group of Legacy students from Grades 1 to 8 proudly represented our school and brought home a total of 33 medals and ribbons. Good luck to those going on to Regional Finals. Thank you to all stackers, parents and teacher-coaches for an amazing season!
