TAKE ME OUTSIDE DAY

Nature Canada is pleased to support *Take Me Outside Day*, an initiative that encourages educators and schools across Canada to extend its classroom outdoors and provide opportunities for students to explore and learn in an outdoor setting. It is a day to highlight the importance of spending time outside, being physically active and connecting with nature. On October 24th, teachers committed to taking students outside for at least an hour to engage in fun and creative activities. It was a cool day but that didn't stop teachers and students from spending time learning in the outdoors!
