### THANKSGIVING

Many cultures have a time to celebrate the end of the growing season when all crops have been harvested for winter. The Ancient Greeks, Romans and Egyptians all celebrated at harvest times and thanked their Gods and Goddesses. Today, throughout the world we still celebrate at this time. Thanksgiving is a day when people get together with their families to express gratitude for all the good things that have happened over the year.

### KEY DATES

Oct 8th- Thanksgiving Holiday

Oct 10th- Curriculum Night

Oct 16th-Regional Cross Country

Oct 22nd- PA Day

Oct 25th-26th-Bus Safety

### SAFETY MONTH

We have been practising our safety drills and are very proud of the behaviour and understanding our students showed during our first fire drill. We will have several more fire drills over the year as well as two lockdown drills and a hold and secure drill so we are always prepared and thinking about how to keep ourselves and each other safe.

**On October 11th, parents and staff will be out around the school for drop off and pick up reminding our families of safe pick up and drop off routines at LPS**
