# ME TO WE

Ms Papaikonomou, Ms Vocino and 8 intermediate students had the privilege of attending WE Day Toronto, alongside 18 000 other likeminded youth and educators, at the Scotiabank Centre on Thursday, September 19th. They listened to inspirational heroes, motivational speakers, and true stories about the various initiatives taking place in schools to create positive change. Students were chosen after writing an essay explaining their interest, passion and commitment to making a difference in the world we live in. They will now share their WE Day experience with other members of our ME to WE committee and decide how WE are going to make a difference here at Legacy PS!
