Admin Update

- Intermediate badminton team won the area tournament to proceed to the regional tournament.
- Move-a-thon - lots of fun and participation! Thank you to the School Council, and the Student Government for their leadership in organizing.
- Thank you to parent Saumea Thayalan for volunteering her time to provide a movement activity with our junior and intermediate students.
- Safety Blitz was a success with by-law officers joining us. They observed the traffic on Russell Jarvis and told us that they would be providing the city with feedback on the need for a crosswalk in front of the school.
- Discover Kindergarten evening was held on May 10. We provided families with a flyer indicating where to park and school pick-up and drop-off routines, highlighting no access to the bus route.
- Over the last while, we have seen an increase in the misuse of technology by some of our older students. Ministry and school board policy indicates that personal devices are to be used for educational purposes only. We held an assembly for Gr. 6-8 classes to remind students of the expectations, as well as sent a message out to their families.

Trips:

- A group of our students attended the Students of Differing Abilities Track and Activities Meet.
- Grade 7 & 8 students participated in the Gauss Math Contest
- Grade 1 students had a wonderful trip to the zoo
- Grade 2 - 4s had a great trip to the Science Centre
- Required Outdoor Education trips to Milne will be happening next week for Gr. 2 and 4 students
- Grade 8s have been on a bowling trip and went to the Blue Jays game last Thursday. They have one more celebration trip to Wonderland planned towards the end of the month.
- The graduation for Grade 8s will be June 20 at MDHS.
- kindergarten to the Farm

Spring Concerts:

- We are pleased to have been able to have families back in the school for concerts again. We have had concerts for Kindergarten, Junior, and Intermediate grades. The primary concert will be held later this week.

EQAO:

June 5 - 9. Grades 3 and 6 students will participate in the literacy and numeracy assessment.
