Helpful Student Transportation Tips for Parents/Guardians

Please consider the following helpful tips and suggestions when preparing for your child to ride the bus to and from school:

- Often parents want to drive children to school on the first day. STS recommends that if you drive your children to school the first day, you also pick them up from school.
- Communicate any changes to daycare locations to your child's school prior to the start of the school year to ensure your child is placed on the correct bus
- JK, SK and Grade 1 students must be met at the bus stop by a parent/guardian.
- Keep current phone numbers records and emergency contact details with the school office.
- Record the bus company and route # for your child and keep in a safe and accessible place.
- Have an alternative arrangement for your child should unexpected circumstances such as traffic delay or any other emergency occurs.

Student Transportation Services of York Region would like to thank you for your cooperation as we continually focus on providing safe, efficient transportation for students.
