## From the Principal's Desk

It appears that winter might finally be leaving us, although very slowly! I hope everyone had a safe and restful March Break. Many students have been sharing their wonderful experiences and adventures with the staff and their classmates.

I can't believe we're into the final three months of school. Where has the time gone? I know we'll be very busy here at Little Rouge over the next 3 months with Rocks & Rings, Jungle Sport, EQAO, Music Night, Grade 8 Graduation and many more programs and learning experiences. Please be sure to check the school newsletter, school website and our twitter updates for upcoming dates and events!

## School Council

Thanks to all our parents for continuing to support the School Council's initiatives and your continued support of school activities. The Council continues to play an active role in the life of our school, but can only do so effectively with your support and participation.

Our Subway lunch program will continue during April and May. In April, the Subway lunch days will be on April 6 and 20.

Remember, the School Council meets on the first Monday of each month at 7 p.m. Our next meeting will be on May 2 in the staff room. Please make every effort to attend and participate.

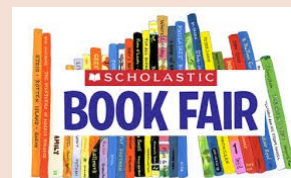

## Scholastic Book Fair - April 11-15

The Scholastic Spring Book Fair is back!

It will be held in the library from 9am-3:30pm, beginning on Monday, April 11th and it will run until noon on Friday, April 15th.

Watch for the flyers going home soon with more information.

See you there!

## Be the Change

Hello Little Rouge community! This month, Be the Change will be having a bake sale every Thursday (April 7, 14, 21, 28) at morning recess. We will be selling double chocolate cookies, confetti-sprinkled cookies, chocolate brownies, and banana chocolate chip mini-cakes. Each item will cost \$1, and they are all nut, egg, and trans-fat free.

All money raised will go towards building a school in Africa.

Thank you for your support.

## Lunch Assistant Positions

If you are interested in working as a Lunch Assistant to do occasional back-up, please contact the school office at 905-202-5960.

This is a paid position over our lunch hour which is from 12:50-1:50 pm.

## 'You're The Chef' is Coming Back to Little Rouge!

Several students in Grade 6, 7, and 8 have signed up to participate in an after school program, 'You're the Chef', to learn how to follow and make delicious healthy recipes. This includes proper handling of food, proper hand washing and knife safety. Students will learn to create food that doesn't include meat and be amazed that we can make delicious snacks and meals without it.

Due to the high interest in the 'You're the Chef' program we will be dividing the participants into two groups. The first group will participate on the following dates: Friday, April 8, Friday, April 15, Friday, April 22, Friday, April 29. The second group will participate on the following dates: Friday, May 13, Friday, May 20, Friday, May 27, and Thursday, June 2.

If your child is participating in this program please ensure they have a way home at the end of the program unless you have indicated that they can walk home. If you are picking up your child please ensure you pick them up promptly at 5pm.

## Are You Moving?

Our preparations for the 2016-2017 school year are underway, and our success depends on accurate projections of the school population.

### Kindergarten Registration Commenced on January 15, 2016

Kindergarten registration commenced on January 15, 2016 for the 2016-17 school year. Registration forms are available on YRDSB's website: [www.yrdsb.edu.on.ca](http://www.yrdsb.edu.on.ca). Children who turn four or five years old during 2016, live within the school boundary and whose parents are public school tax supporters will be eligible to register for kindergarten.

**A Kindergarten Information session for JK's and their parents will be held on Thursday, May 12th, 6:00-7:30 pm.** For more information please visit the YRDSB website or contact your local school.

### *Empty Milk Bags*

*Room 132 is still collecting empty milk bags. These bags will be transformed into mats for the people in Haiti. Thank you to everyone who has been bringing bags in! Please keep those milk bags coming in! Drop them in the box in front of the office.*

### **Student Safety**

It has been brought to our attention that when students are walking to and from school, some of them are not remembering the safety rules.

Students should always be crossing the street at the corner (and not in the middle of the street) and looking both ways before crossing if there is no crossing guard. Older siblings should be making sure that their younger siblings are with them as they cross safely.

As well, some students are playing with soccer or tennis balls as they are walking. If they lose control of the balls and they roll out into the street, they should not be darting out after them.

### **Earth Day**

**On April 22nd, for Earth Day, Little Rouge will be conducting a cleanup of our school yard, our neighbourhood, and the area around the pond in an effort to keep our community looking great and to continue to help the environment!**

**Way to go Rockets!**

### **Board Policies and Procedures**

Policies and procedures govern the operation of the Board and our school. To ensure they remain current, the Board reviews policies and procedures on a regular cycle. Seeking feedback from staff and community members, including parents/guardians, is an important part of the review process.

All policies available for comment are sent to school council chairs, and are posted on the [Board website](#) along with information about how to provide feedback. The policies currently available for comment include:

- Student Accommodation Review (comments due by April 25)
- Anaphylactic Reactions (comments due by August 25)
- Respectful Workplace and Learning Environment (comments due by August 25)
- Environmental Responsibility (comments due by January 2, 2017)
- Appointment of Community Members to Board Committees (comments due by January 2, 2017)

# ECO NEWS!

## Boomerang Lunch Program

Beginning the month of **April** this year, the month of **Earth Day**, our Eco Team has decided to implement a daily **Boomerang lunch** program at Little Rouge which will continue for the rest of the year, and into next year! We believe that engaging students and the school community in small environmental initiatives can have a big impact on our environment.

### HOW IT WORKS:

- Garbage that comes to school goes home
- Uneaten food and waste material is returned home in your child's lunch bag
- Recyclable and compostable materials can be disposed of **AT SCHOOL**

### BOOMERANG LUNCH GOALS:

- Reducing the amount of waste we create from school lunches
- Reducing the cost of waste disposal so the school's resources can be put to better use.
- Encouraging healthy and nutritious lunches (many pre-packaged lunch items contain significant amounts of sugar, sodium, preservatives and fat)
- Creating awareness around recycling and composting
- Encouraging and promote the use of **reusable containers** and to discourage the use of disposable containers
- Helping you as a parent reduce the cost of lunches (a waste-free lunch can cost as little as \$2.50 per day, whereas a lunch containing pre-packaged items can cost \$4.50 or more per day)

### WASTE FREE SNACK/ LUNCH TIPS:

- Use reusable lunch bags and containers.
- Use reusable drink bottles or a thermos.
- Use a cloth napkin and reusable utensils.
- Avoid using plastic wrap and "Ziploc" baggies
- Get your children to help pack their snacks/lunches with healthy foods.
- Only pack as much food as your child will eat.
- Label all containers with an initial or special symbol.

We look forward to your continuing support and hope you will join hands with us in teaching our students to be environmentally responsible citizens.

Thank you,  
The Little Rouge Eco Team

### Save The Dates: May 30—June 2

This is the range of dates set aside to administer the annual EQAO tests to our Grade 3 and Grade 6 students. Parents of students in these grades are asked to please refrain from booking any appointments or vacations during this time as it is very important for all students to participate in this testing.

#### **Forks & Spoons**

***If your child stays for lunch and brings an item that requires a spoon or fork, please remember to send one with him/her. We have many students who come to the office daily to get an utensil from us and unfortunately, we have limited available. We suggest that you keep a plastic spoon or fork in your child's lunch bag each day so that he/she has one if needed.***

#### **Attendance—Safe Arrival**

Ensuring the safety of your children is our priority.  
**PLEASE REPORT ABSENCES DAILY.**

Attendance is taken both in the morning and the afternoon each day. If you know your child will be absent, please call the office as soon as possible. You can leave a message after hours at:

### **SIGN IN/OUT For Visitors/Volunteers**

We have noticed that from time to time parents/grandparents come to the school during recess and go right out to the yard to look for their children. For safety reasons, we ask that **all visitors and volunteers, whether family members or other community members, sign in at the main office when entering the school.** You will then get a "Visitor" badge to wear while you are here. If there is an urgent matter and you need to locate your child during recess, we will page your child from the office and have him/her come in from the yard to see you. Although it may be tempting to do so, please do not go straight from the parking lot to the yard. For the safety of the children, Staff on Yard Duty have been asked to approach any adults on the yard without a Visitor/Volunteer Badge to re-direct them to the office. Thank you for your support and understanding in this matter.
