Future fundraising projects

-

Grade 8 graduation

- Board discussing what graduation will look like
- Plan is to defer the graduations till the fall
- Teachers putting together a video for grade 8s, but unsure if it can be broadcast
- Teachers asking for school council funds for yearbooks
 - Not possible as school council funds are frozen (and we are in debt 😞)

Online learning

- Most teachers in Frechette are preparing to have some form of video classes online
- No time line or details regarding what this will look like as this will depend on Board and ministry direction
- September may look like a hybrid approach to learning (part in class, part online)
- Will need to adjust curriculum in September based on where kids are at
- No guidance yet from ministry of education regarding what form (if any) of instruction might be available in the summer

Other

- No school council money is available
- All funds are frozen by the board
- If anyone on council is contacted by someone who is in need of help, can contact Mme Korinis as there is a community resource person that works with the school
- Will schedule time at some point to pickup belongings and return any borrowed materials
 - Waiting on recommendations from chief medical officer
- We only paid x-movement for the service delivered so far
 - Second part of the program we didn't receive wasn't paid for yet
