

IB Online Registration

October 2017

EDSBY

Edsby is an innovative cloud-based platform for K-12 that links a simple classroom design with powerful communication tools. Edsby provides a secure student, teacher, and parent engagement platform that will bring consistency in our communication practices across Elementary and Secondary schools. YRDSB will be rolling out various features such as Parent - Teacher Interview scheduler, Attendance and Online Registration

School Locator

To Identify the IB Candidate School for your address, visit the Board website > School Locator.

Enter your current address, and all of the schools for your address including the IB Candidate School.

This is the school that you will be applying to.

The screenshot shows the 'School Locator' page on the Inspire Learning! website. The page header includes the 'York Region District School Board' logo and the 'Inspire Learning!' brand name. Navigation links for 'Home', 'About Us', 'Board of Trustees', 'Schools', 'Programs & Services', 'Students', 'Parents', and 'Community' are visible. A search bar with 'Google Custom Search' and a 'Search' button is present. A dropdown menu for 'Staffs' is set to '--Select an Application--'. A 'Google Translate' button is also visible.

The main content area is titled 'School Locator' and includes instructions for users: 'Locate YRDSB schools for your address by entering the Street Number and Street Name in the form below.' The instructions are:

- Enter the street number separately from the street name (* both fields require a value).
- Begin typing the street name to see matching entries.
- Choose your street from the dropdown list.
- The municipality will automatically populate.

A map is displayed below the instructions, showing a grid of streets and several municipalities including Ansonveldt, Newmarket, Bogartton, Aurora, Bethesda, Schomberg, Pottageville, Snowball, and Bloomington. The map is updated as of September 5, 2017.

At the bottom of the page, there is a form with three input fields: 'Street Number *', 'Street Name *', and 'Municipality'. The 'Municipality' dropdown is currently set to 'Aurora'. Below the form, there is a red text prompt: 'Begin typing, and choose from dropdown listing'. At the very bottom, there are two checkboxes: 'Elementary' (checked) and 'French Immersion (Elementary)' (checked).

EDSBY and PayPal

If your elementary school has been a pilot school for EDSBY, you will have been sent an invitation link by email to create an EDSBY Account. If you have activated your account, simply login to <https://yrdsb.edsby.com>.

Most parents will not have an EDSBY account and will need to create one in order to register your child for the IB Program. We encourage you to set up your account early (starting Oct 20th).

Payments will be accepted through PayPal. You do not have to have a PayPal account to pay but you will need a credit card or prepaid credit card to pay online if you don't have a Paypal account.
