GRADE 9 COURSES

- ✗ As of last year, there are no grade 9 applied course offerings.
- ✗ Grade 9 Open French should only be selected if you have had less than 600 hours of elementary core French instruction.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Academic

- X Academic courses develop students' knowledge and skills through the study of theory and abstract problems.
- X These courses focus on the essential concepts of a subject and explore related concepts as well.
- X They incorporate practical applications as appropriate.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Destreamed

- X Destreamed courses are comprised of a set of expectations that are appropriate for many students, and are designed to broaden students' knowledge and skills.
- X They are designed to increase flexibility in senior level courses, and ultimately, with pathway options following the completion of secondary school.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Open

- X Open courses, which are comprised of a set of expectations that are appropriate for all students, are designed to broaden students' knowledge and skills in subjects that reflect their interests and prepare them for active and rewarding participation in society.
- X They are not designed with the specific requirements of university, college, or the workplace in mind.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Locally Developed

- X Locally Developed course placements are determined in consultation with parents, Grade 8 teachers, and Special Education Resource Teachers.

WHAT SHOULD I CHOOSE?

- X Families and students will select courses and may choose to collaborate with elementary school teachers, guidance counsellors, student success/support teachers and administrators.
- X Students often choose a combination of course types to support different learning interests and styles.
- X Remember that initial decisions made in grade 8 are not “final” decisions. There are many pathways to initial post-secondary destinations.

A hand-drawn rectangular box with rounded corners and a dark blue border. The border is decorated with various doodles: a wavy line at the top, a small circle on the left side, and several parallel lines at the bottom and right. A bright green, irregularly shaped sticky note is attached to the top-left corner of the box. Inside the box, the text 'ACCESSING MYPATHWAY' and 'PLANNER' is written in a dark blue, hand-drawn font. Below this, the text 'An Overview' is written in a green, hand-drawn font.

Go to: <https://www2.yrdsb.ca/>

The screenshot shows the homepage of the York Region District School Board. At the top, there is a navigation bar with the board's logo on the left and a search bar, a dropdown menu for 'I'd like to...', and a language selection dropdown on the right. Below the navigation bar is a horizontal menu with links: 'About Us', 'Board Plans', 'Schools & Programs', 'Student Support', and 'Community'. The main banner area has a dark background with the text 'every student counts SURVEY' in a stylized font, where 'every' is in blue, 'student counts' is in white with a red outline, and 'SURVEY' is in blue. Below this, the text 'The Every Student Counts Survey' is displayed in white. A blue 'Learn More' button is centered below the text. A large red arrow points from the banner area down to the 'School Year Calendar' link in the services row. The services row consists of six white boxes with red icons and text: 'Student Transportation' (bus icon), 'Register A New Student' (person and pencil icon), 'School Year Calendar' (calendar icon), 'Online Student Tools' (globe icon), 'Family Resources' (link icon), and 'Report IT' (speech bubble with exclamation mark icon). At the bottom, there is a section for 'COVID-19 Information and Resources' with a link to 'Learn more about health and safety protocols. Access' and a background image of students in a classroom.

Success

HOW DO I GET PARENT/GUARDIAN APPROVAL
FOR MY COURSE SELECTION?

In My Pathway Planner (myBlueprint), once students submit their courses they are prompted with a **Send Approval Email** option. Once clicked, a parent or guardian's email address can be added.

The screenshot displays the 'Submission Details' page. At the top, a blue header reads 'Submission Details'. Below it, a blue box contains an information icon and the text 'Email your parent/guardian so that they may confirm your selections'. A progress bar shows 'Step 1 Add Courses' as the current step. A green 'Success' message states 'Your course selections have been submitted successfully.' Below this, a red 'Note' says 'Note: Speak to your Counselor about your course selections.' A blue button labeled 'Back to High School' is visible. A modal window titled 'Parent/Guardian Approval' is open, featuring a close button (X) in the top left. The modal text reads: 'Please add a parent or guardian email below for us to share your course selection. Your parent/guardian will be asked to approve your course selections.' It includes a text input field labeled 'Parent/Guardian Email' and a blue button at the bottom labeled 'Send Approval Email'.

After entering an email address and clicking **Send Approval Email**, the parent/guardian receives a course selection approval request email, including the student's course requests, alternate courses, issues with course submission, student comments, and course guidance messages, if any.

In the course selection approval request email, the parent/guardian has the option to **Approve** or **Reject** the student's selections by clicking a button or link in the email.

Approve Course Selections

Don't approve of these Course Selections? **Reject Request**. If you reject this request, please follow up with your school's guidance counsellor about next steps.

Students see a confirmation within their **High School Plan** indicating if their course selections have been approved or not by their parent/guardian.

The screenshot displays the 'High School' dashboard. At the top, there's a 'Plan' tab and a 'Courses' sub-tab. Below this, the 'Official High School Plan' is shown. A status message indicates that courses were submitted on Oct 19, 2020, at 10:41 p.m. EDT. A table lists courses for Grade 9, Grade 10, and Grade 11. A graduation indicator shows 30/30 required credits. A confirmation modal is overlaid on the screen, stating 'Approval was successful' and 'Your course selection approval has been confirmed and sent to the school.'
