

MAPLE HIGH SCHOOL 2024-2025 PRESENTATION

GRADE 9 COURSE

SELECTION

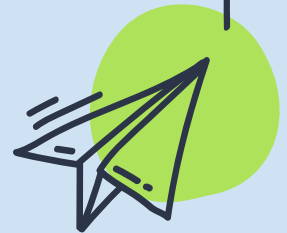

## GRADE 9 COURSES

- X English - Destreamed or Locally Developed
- X French - Academic or Open
- X Geography - Destreamed
- X Math - Destreamed or Locally Developed.
- X Physical Education - Open (Male Identifying, Female Identifying or All-Ed)
- X Science - Destreamed or Locally Developed
- X Tech - Open (Can be taken in grade 10 as well)
- X Art - Open (Can be taken in grade 10 as well)
- X Plus 2 Alternates

## GRADE 9 COURSES

- X Students taking French currently should select FSF1D1
- X Grade 9 Open French should only be selected if you are not taking French currently. Please speak with your teacher if you think you need to select FSF10.

# WHAT DO DIFFERENT COURSE TYPES MEAN?

## Academic

- X Academic courses develop students' knowledge and skills through the study of theory and abstract problems.
- X These courses focus on the essential concepts of a subject and explore related concepts as well.
- X They incorporate practical applications as appropriate.

# WHAT DO DIFFERENT COURSE TYPES MEAN?

## Destreamed

- X Destreamed courses are comprised of a set of expectations that are appropriate for many students, and are designed to broaden students' knowledge and skills.
- X They are designed to increase flexibility in senior level courses, and ultimately, with pathway options following the completion of secondary school.

# WHAT DO DIFFERENT COURSE TYPES MEAN?

## Open

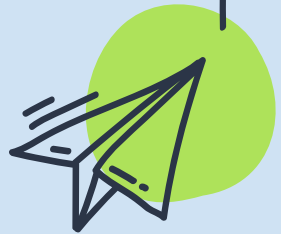

- ✗ Open courses, which are comprised of a set of expectations that are appropriate for all students, are designed to broaden students' knowledge and skills in subjects that reflect their interests and prepare them for active and rewarding participation in society.
- ✗ They are not designed with the specific requirements of university, college, or the workplace in mind.

# WHAT DO DIFFERENT COURSE TYPES MEAN?

## Locally Developed

- X Locally Developed course placements are determined in consultation with parents, Grade 8 teachers, and Special Education Resource Teachers.

## WHAT SHOULD I CHOOSE?

- X Families and students will select courses and may choose to collaborate with elementary school teachers, guidance counsellors, student success/support teachers and administrators.
- X Students often choose a combination of course types to support different learning interests and styles.
- X Remember that initial decisions made in grade 8 are not “final” decisions. There are many pathways to post-secondary destinations.

## THINGS TO CONSIDER

- X The courses you select help to determine how many classes we run, therefore choosing wisely is important as we may not be able to change your courses later.
- X Please keep in mind that course choices are not guaranteed, so please choose two alternate courses.

# REGIONAL PROGRAMS AT MAPLE HIGH SCHOOL

An Overview

Go to: <https://www2.yrdsb.ca/>

The screenshot shows the homepage of the York Region District School Board website. At the top, there is a navigation bar with the board's logo on the left and a search bar, a dropdown menu for 'I'd like to...', and a language selection dropdown on the right. Below the navigation bar, a horizontal menu contains links for 'About Us', 'Board Plans', 'Schools & Programs', 'Student Support', and 'Community'. The main banner area has a dark background with the text 'every student counts SURVEY' in a stylized font, followed by 'The Every Student Counts Survey' in white. A blue 'Learn More' button is centered below the text. A large red arrow points from the banner area down to the 'School Year Calendar' link in the services row. Below the banner, there is a row of six service tiles: 'Student Transportation' (bus icon), 'Register A New Student' (person and pencil icon), 'School Year Calendar' (calendar icon), 'Online Student Tools' (globe icon), 'Family Resources' (link icon), and 'Report IT' (speech bubble with exclamation mark icon). At the bottom, there is a section for 'COVID-19 Information and Resources' with a sub-link 'Learn more about health and safety protocols. Access' and a background image of students in a classroom.

Grade 9 ENL1W1 1 Credit Destreamed

This course enables students to continue to develop and consolidate the foundational knowledge and skills that they need for reading, writing, and oral and visual communication. Throughout the course, students will continue to enhance their media literacy and critical literacy skills, and to develop and apply transferable skills, including digital literacy. Students will also make connections to their lived experiences and to society and increase their understanding of the importance of language and literacy across the curriculum.

## WHY IS myPATHWAYPLANNER NOT ALLOWING ME TO SUBMIT MY COURSES?

- X You do not have the required prerequisites or corequisites for the courses you selected. If you do not have the required prerequisites or corequisites, myPathwayPlanner will prevent you from submitting your courses. You will see a red dot indicator. Make sure you are choosing the Grade 9 version of all of your courses.
- X Grade 9 students must choose 8 courses and 2 alternates.

## Success

Your course selections have been submitted to your Counsellor for review. Please either print the Sign-Off Sheet or send a paperless approval email, as directed by your school

**Note:** Speak to your Counsellor to discuss any changes that you wish to make to your Course Selections

Back to High School

**Submit** your courses between February 15th and February 23rd. Course selection sign-off sheets will not be collected. There will an online parent/guardian approval process.

Success

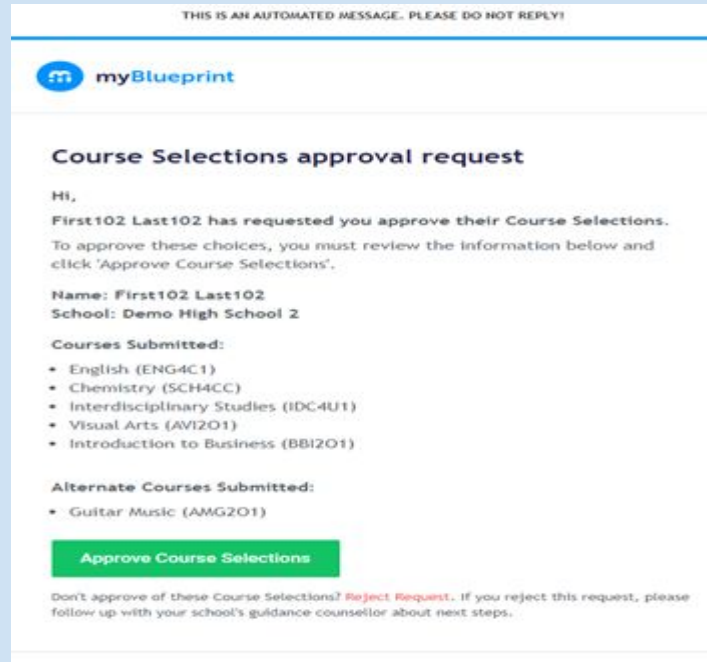

HOW DO I GET PARENT/GUARDIAN APPROVAL  
FOR MY COURSE SELECTION?

In My Pathway Planner (myBlueprint), once students submit their courses they are prompted with a **Send Approval Email** option. Once clicked, a parent or guardian's email address can be added.

The screenshot displays the 'Submission Details' page. At the top, it says 'Email your parent/guardian so that they may confirm your selections'. Below this, a progress bar shows 'Step 1 Add Courses' as the current step. A 'Success' message states 'Your course selections have been submitted successfully'. A note says 'Note: Speak to your Counselor for more information.' A blue button labeled 'Back to High School' is visible. A modal window titled 'Parent/Guardian Approval' is open, containing the text 'Please add a parent or guardian email below for us to share your course selection. Your parent/guardian will be asked to approve your course selections.' It features a text input field for 'Parent/Guardian Email' and a blue button labeled 'Send Approval Email'.

After entering an email address and clicking **Send Approval Email**, the parent/guardian receives a course selection approval request email, including the student's course requests, alternate courses, issues with course submission, student comments, and course guidance messages, if any.

In the course selection approval request email, the parent/guardian has the option to **Approve** or **Reject** the student's selections by clicking a button or link in the email.

**Approve Course Selections**

Don't approve of these Course Selections? **Reject Request**. If you reject this request, please follow up with your school's guidance counsellor about next steps.

Students see a confirmation within their **High School Plan** indicating if their course selections have been approved or not by their parent/guardian.

The screenshot displays the 'High School' dashboard. At the top, there's a 'Plan' tab and a 'Courses' sub-tab. Below this, the 'Official High School Plan' section shows a status message: 'Your courses are Submitted Oct. 19, 2020, 10:41 p.m. EDT'. A green checkmark and the word 'Approved' indicate that the selections have been approved. A graduation indicator shows '30/30 REQUIRED CREDITS' with a green checkmark. A table lists courses for Grade 9, Grade 10, and Grade 11. A modal window titled 'Parent/Guardian Approval' is open, showing a green checkmark and the text 'Approval was successful' and 'Your course selection approval has been confirmed and sent to the school.'
