**MYTH:**

**SCHOLARSHIPS ARE JUST FOR “BRAINIACS”**

**Real students DO win real money**

There are thousands of scholarships and awards that reward students for non-academic attributes:

- Being creative
- Being nice
- Volunteering
- Playing hockey, soccer etc.
- Where you live
- Your heritage or what languages you speak
- Entering a contest, responding to a survey

# WHAT TYPE OF STUDENTS ARE SCHOLARSHIP PROVIDERS LOOKING TO REWARD?

In addition to academic success and financial need, scholarship providers look for applications who can demonstrate:

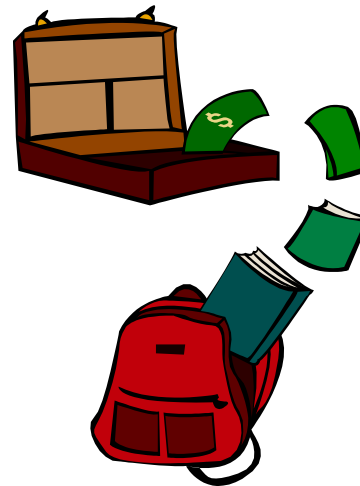

- **Originality and Passion** – what makes you stand out from all the other applicants?
- **Volunteering & Community Service** – do you give back to the community? Have you volunteered beyond the 40 hour requirement?
- **Leadership & Initiative** – are you a founding member or have you taken an active role in a club or organization?
- **Talent** – Do you have a vision? Scholarships reward fresh thinking and new ideas
- **Special targeted areas** – specific heritage or cultural background, gender, special needs, geography and more

# STUDENT LOANS

- OSAP (Ontario Student Assistance Program)
- You can apply for OSAP once you accept a program (mid to late June)
- OSAP is only meant to supplement one's educational costs, not pay entirely
- Payments happen in two installments – 60% in the Fall, 40% in the Winter
