Attachments: MLPS Community Partners Poster.pdf

Friends, we had missed 4 of our Community Partners. We want to be sure we are doing our very best to show our gratitude of all of the partners who have helped us this year and in years past. Please see the revised attachment and list below. We sincerely hope we have not missed any community group.

News from the Den The Den (room 128) is working hard to have healthy foods available to all students in our school. We have moved our fridges and freezer into this room and have updated our electrical capabilities so that more variety can be offered. In order to do this, we have generously received some funding donations from both the **Lion's Club of Newmarket** as well as the **Rotary Club of Newmarket**. We are very grateful for the support received from these community agencies. Our next exciting initiative centres around growing food and how easy it can be to eat healthy! We have received our organic growing soil as a donation from the local **Home Hardware and the ProMix company**. If you are in the store, please be sure to thank them from all of us at Maple Leaf!!

If you find yourself with some extra time in the mornings, we would love to have volunteers join us for some lively chatter (and good music!!) Please contact Mrs. Goverde at the school if this is something you are interested in (you can bring your child/ren) we start around 8:25am.

A big **Thank You!** to all our community partners for helping us out. At Maple Leaf P.S. we have been blessed with a community of caregivers and partners that go above and beyond all expectations when it comes to helping us out financially, providing services for free and volunteering. We want to acknowledge all of them and say thank you. See attached poster.

- York Region Food Network

- Royal Canadian Legion, Branch 426 and The Ladies Auxillary
- Newmarket Minor Softball Association
- Newmarket Garden Club, Horticultural Society

Come on out to the 60th Funniversary. See attached flyer. Thanks to Gord McCallum for Coordinating the day, evening and Alumni event.

There are many events happening over the remaining 3 weeks of the school year. Please stay connected to the school calendar which is found on the [Maple Leaf P.S. website](#) (linked here).

School security. Safety of students is our number one priority. Parents and caregivers know that over the past 3 years we have been monitoring and adjusting routines and practices to ensure we are following YRDSB protocol. It is a challenge to ensure student safety while endeavouring to have the adults that enter our building feel welcome. Over the next weeks while the building there is a lot going on, it is just as important to follow entry procedure. Parents and Caregivers are welcome in the school by following the procedures we have announced previously: accessing the building only through the front main doors, going directly to the office to speak with staff, requesting to speak with the teacher or making an appointment, when attending an event or meeting all visitors must sign in and wear a visitor sticker, only going to the specified location, signing out before leaving.

Don't forget: on June 27th students are dismissed at noon.

Looking forward to seeing everyone on Tuesday.

Amanda LeBlanc
Principal
 Maple Leaf P.S., YRDSB,
 155 Longford Drive, Newmarket,
