- The form entitled **"We Need Your Consent"** is located on the last page of your parent guide.

Every Student Counts Survey (ESCS)

In November 2018, York Region District School Board will invite all students to participate in the ***Every Student Counts Survey (ESCS)***. The purpose of this census survey is to better understand YRDSB's diverse student population as well as students' experiences in school and outside of school. Students in Grades 7-12 will be invited to complete the survey online during class time.

The surveys are voluntary and confidential. Information about the surveys and the process is available at www.yrdsb.ca/escs. This important initiative will help us work together to create equitable and inclusive school environments.

Computer Science Club

Some exciting news from Computer Programming Club: a team of five of our students entered the 2018 CanHack competition through RBC-Ryerson, an online cybersecurity competition developed and run by Carnegie Mellon University, in Pittsburgh, USA. The contest features a series of digital challenges based on unique storylines, which challenge students to develop and demonstrate skills associated with computer hacking. MDHS had a strong push at the finish and secured 3rd place of all Canadian high schools! There will be an awards ceremony for these deserving students on November 27th. More to come on this later!

Meanwhile, our club continues to meet every Tuesday after school in room 155. The club helps students develop their skills in Java and Python and prepare for the opportunity to compete in competitions such as the Canadian Computing Competition run by the University of Waterloo. Students will also get to compete against other York Region schools in the ECOO competition. - Mr. M. Berry

Message from DECA

Registration for MDHS DECA is complete (78 members), and the first tier of competition has started! The Regional Online Competency Test was completed on Wednesday, October 31 at school. The York Regional Competition itself is taking place on Saturday, November 10 at Richmond Hill HS. A letter outlining the itinerary for the day was sent home, along with the Field Trip Permission Form. Student Activity Fee – A Message for Parents and Guardians

Your support of the Student Activity Fee is needed for Markham District High School to continue to provide a vast array of opportunities that respond to the diverse interests of our students. We know that parents and guardians of MDHS students appreciate the value of extracurricular activities in building school spirit, fostering a sense of community and support positive mental health and wellbeing within our students.

The Student Activity Fee helps to fund engaging opportunities that occur before school, at lunch and afterschool. Monies collected cover or subsidize costs of events and activities – including those run by the Student Activity Council (SAC) – that build school spirit, promote inclusivity, create memories and enrich the learning experience beyond the classroom and the designated subject curriculum.

Our Student Activity Council (in collaboration with Staff Advisors and Administration) manages the allocation of the Student Activity Fees collected at registration.

Here are some examples of how SAC allocates Student Activity Fees (SAF) at MDHS:

Clubs & Committees:

- o To provide start up operational funds for clubs and committees;
- o To defray costs of organizing or participating in special events (such as student conferences, competitions, celebrations) related to the club or committee; and
- o To support special initiatives that clubs have requested funding for via a written proposal.

Teams:

- o To pay the cost of one tournament per team (students on teams are required to pay the SAF);
- o To provide awards/trophies for athletic excellence and sportsmanship at the annual Athletic Banquet; and
- o To provide funding support for teams that qualify for OFSAA.

Student Council – Whole School Activities/School Climate Support:

- o Grade 9 Welcome Day
- o Spirit Week Activities
- o Monthly Spirit Theme Days
- o Clubs Day
- o Conferences
- o Prizes/Awards for Academic Pep Rally
- o Hallowe'en Activities
- o Fall Dance, Semi-Formal and Prom
- o Valentine's Day Activities
- o May Day Event
- o Guest Speakers for Assemblies
- o Purchasing items for the Student Body

Other:

- o The Music, Drama, Visual Arts and Classics programs have co-curricular clubs and activities which receive funding from SAC through the SAF.

Please note that even if you choose not to pay the \$45 Student Activity Fee it means that your child will pay higher entrance fees for tickets to school events.

Support the School Council Markham District High School

MDHS School Council is accepting donations throughout the school year. So it's never too late, and we will be tremendously thankful for your monetary contribution.

In the past your contributions were very helpful for the following ...

Ensuring inclusiveness by supporting students requiring financial assistance for school events.

Organizing parent/student expert information sessions re: cyber safety, social media and student wellness.

Displaying signage encouraging awareness re: transportation to and from school.

Your support of the [MDHS School Council](#) is needed to ensure we can continue to improve student learning and to develop a shared sense of accountability for the public education system among both parents and educators. While we continue to support the above initiatives, we also need funds to assist with school safety initiatives and technology.

Your donation can be made through [School Cash Online](#). In the “Gift Information” section, please ensure you select [“MARKHAM D.H.S.-E404”](#) to ensure the funds are allocated to the [MDHS School Council](#).

To make a donation, please click the ‘Make Donation’ icon in Cash online screen and follow the instructions.

Thank you for your continued support!

You will be provided with a tax receipt for your donation over \$ 25.00, as the Board is a registered Canadian Charitable organization.

FLU SEASON IS HERE

Get the flu shot as early as possible

The first and best step to preventing the flu (or influenza), is to **get the flu shot every year**. The flu spreads quickly and easily from an infected person to others and anyone can get it. Getting the flu shot can protect you, your family and those around you.

Students may be at higher risk of getting the flu as they come together in close public spaces including the classroom, gymnasium, cafeteria and library.

The flu shot is especially important for students who have a chronic condition (e.g. asthma, diabetes) or those who live with or have close contact with a pregnant woman, kids less than five years old, or a resident of a nursing home or other chronic care facility since these groups are at higher risk of getting very sick or being hospitalized because of the flu.

Flu shots are **free** and are readily available at:

- Health care provider's offices for people six months of age and older
- Participating pharmacies, for people five years of age and older

In addition to getting the flu shot annually, here are some other health tips that can help prevent the spread of the flu:

- Wash your hands well and often with either soap and water or alcohol based hand rub
- Cover your mouth and nose when you cough or sneeze (if you do not have a tissue, cough into your upper sleeve)
- Avoid touching your eyes, nose and mouth
- Stay home when you're sick
- Clean and disinfect surfaces and shared items

It's important to get the flu shot as early as possible as it can take nearly **two weeks** for the influenza vaccine to take full effect.

To learn more about flu and flu vaccine, visit york.ca/flu.
