# Support the School Council Markham District High School

**MDHS School Council** is accepting donations throughout the school year. So it's never too late, and we will be tremendously thankful for your monetary contribution.

**In the past your contributions were very helpful for the following ...**

**Ensuring inclusiveness by supporting students requiring financial assistance for school events.**

**Organizing parent/student expert information sessions re: cyber safety, social media and student wellness.**

**Displaying signage encouraging awareness re: transportation to and from school.**

Your support of the [MDHS School Council](#) is needed to ensure we can continue to improve student learning and to develop a shared sense of accountability for the public education system among both parents and educators. While we continue to support the above initiatives, we also need funds to assist with school safety initiatives and technology.

Your donation can be made through [School Cash Online](#). In the "Gift Information" section, please ensure you select "[MARKHAM D.H.S.-E404](#)" to ensure the funds are allocated to the [MDHS School Council](#).

To make a donation, please click the 'Make Donation' icon in Cash online screen and follow the instructions.

**Thank you for your continued support!**

You will be provided with a tax receipt for your donation over \$ 25.00, as the Board is a registered Canadian Charitable organization.

## ***Student Registration Verification Sheet and Policy Agreement Checklist and Consent From***

The blue ***Policy Agreement Checklist and Consent From*** was also give out in homerooms. ***This form is available on our web site under the parent newsletters/bulletin.***  
**Both these forms should be returned to the main office as soon as possible.**

## ***Every Student Counts Survey (ESCS)***

In November 2018, York Region District School Board will invite all students to participate in the ***Every Student Counts Survey (ESCS)***. The purpose of this census survey is to better understand YRDSB's diverse student population as well as students' experiences in school and outside of school. Students in Grades 7-12 will be invited to complete the survey online during class time.

The surveys are voluntary and confidential. Information about the surveys and the process is available at [www.yrdsb.ca/escs](http://www.yrdsb.ca/escs). This important initiative will help us work together to create equitable and inclusive school environments.

## ***Computer Science Club***

Computer Science Club meets every Tuesday in room 155 after school. Students develop their skills in Java and Python and get the opportunity to compete in competitions such as the Canadian Computing Competition run by the University of Waterloo. Students will also get to compete against other York Region schools in the ECOO competition. They are currently competing against other schools in the Ryerson university CanHack competition.

## ***Message from Family Studies***

The Grade 9s have started an Inquiry Based Research Project on the Foundations of Food which will provide information we will need later this month when we get into Room 125 to do some cooking and sampling. Underlying this approach is the idea that both educators and students share responsibility for learning. For students, the process involves open-ended investigations into a question or a problem, requiring them to engage in evidence-based reasoning and creative problem-solving. They are looking forward to the "eating" part of the research! - Thank you, Ms. More

## ***Message from the Business Department***

The University of Waterloo is now holding the Financial Literacy Competition twice a year, for students who are enrolled in BBI2O1 - Introduction to Business. This is an online competition which is 75 minutes long and held at MDHS. The semester 1 competition date is December 5, 2018. Please have your son/daughter see your teacher for additional details. ## Student Activity Fee – A Message for Parents and Guardians

Your support of the Student Activity Fee is needed for Markham District High School to continue to provide a vast array of opportunities that respond to the diverse interests of our students. We know that parents and guardians of MDHS students appreciate the value of extracurricular activities in building school spirit, fostering a sense of community and support positive mental health and wellbeing within our students.

The Student Activity Fee helps to fund engaging opportunities that occur before school, at lunch and afterschool. Monies collected cover or subsidize costs of events and activities – including those run by the Student Activity Council (SAC) – that build school spirit, promote inclusivity, create memories and enrich the learning experience beyond the classroom and the designated subject curriculum.

Our Student Activity Council (in collaboration with Staff Advisors and Administration) manages the allocation of the Student Activity Fees collected at registration.

Here are some examples of how SAC allocates Student Activity Fees (SAF) at MDHS:

### Clubs & Committees:

- o To provide start up operational funds for clubs and committees;
- o To defray costs of organizing or participating in special events (such as student conferences, competitions, celebrations) related to the club or committee; and
- o To support special initiatives that clubs have requested funding for via a written proposal.

### Teams:

- o To pay the cost of one tournament per team (students on teams are required to pay the SAF);
- o To provide awards/trophies for athletic excellence and sportsmanship at the annual Athletic Banquet; and
- o To provide funding support for teams that qualify for OFSAA.

### Student Council – Whole School Activities/School Climate Support:

- o Grade 9 Welcome Day
- o Spirit Week Activities
- o Monthly Spirit Theme Days
- o Clubs Day
- o Conferences
- o Prizes/Awards for Academic Pep Rally
- o Hallowe'en Activities
- o Fall Dance, Semi-Formal and Prom
- o Valentine's Day Activities
- o May Day Event
- o Guest Speakers for Assemblies
- o Purchasing items for the Student Body

### Other:

o The Music, Drama, Visual Arts and Classics programs have co-curricular clubs and activities which receive funding from SAC through the SAF.

Please note that even if you choose not to pay the \$45 Student Activity Fee it means that your child will pay higher entrance fees for tickets to school events.

## School Parking

Reminder, if your child is driving to school, the vehicle must be registered with the main office and a parking tag must be visible. There is no cost for the parking tag. To ensure student safety, please use the PUDO and do not block the crosswalk when dropping off and picking up students. Thank you for your cooperation to support student safety.

October 16, 2018

As of October 17, 2018, it will be legal for individuals **19 and older** to buy, use, possess and grow recreational cannabis. It remains illegal for anyone under the age of 19. This is the same as the minimum age for the sale of tobacco and alcohol in Ontario.

**Regardless of age, cannabis is not allowed on school property or at school-related events at any time.**

It is illegal for **anyone** regardless of age to smoke or vape any substance, including cannabis:

- at school, on school grounds, and all public areas within 20m of these grounds
- on children's playgrounds and public areas within 20m of playgrounds
- in child care centres, or where an early years program is provided
- in places where home child care is provided – even if children aren't present

There will be consequences for students if they are believed to be in possession or under the influence of alcohol, illegal drugs or cannabis. Suspension will be considered. There are exceptions if the medicinal use of cannabis is outlined in the student's Health Care Plan.

If a student gives alcohol or cannabis to anyone under the age of 19, the school will contact police, suspend the student and consider expulsion.

In YRDSB, we want families and students to be informed about the facts of cannabis legalization. To support this learning, you may find the following resources helpful. You can also request a hard copy through the school office.

### **Cannabis: What Parents/Guardians and Caregivers Need to Know**

We will continue to provide students with information and support to make positive and healthy decisions.

If you have any questions, please do not hesitate to contact the school's administration.
