Visit any of the booths to learn about how some of our grade 12 students are supporting vulnerable members of our community. Check out the posters, social media feeds and/or announcements to find out how you can contribute to your "cause" of choice.-Mr. Morris

### The LOST has been FOUND!

Please remind your student to check the Lost & Found box in the office. Items such as jewellery, watches, glasses and electronics (including lots of air pods and cases) can be retrieved at the reception desk.

### Student Trustee

Students in Grades 5-12 will have an opportunity January 23-30 to participate in voting for the student trustee candidate who will represent our area of the board.

Student trustees play an important role representing students in the school board. They network with students, staff and the Board of Trustees to share information that gives students a meaningful voice.

All students in Grades 5-12 will receive an email in their GAPPS account. The email will include a link to site where they will find information about candidates in our area, and a link to a form where they can submit their vote. One candidate will be selected by students to represent each of the four areas of the school board in the final vote. Later in February, students can vote for the final two candidates who will represent them during the next school year.
