Ukrainian Pysanky Workshop

Ukrainian Pysanky is a traditional folk art that prevents negative spirits, and promotes peace. The art is "written" on an Easter egg. The eggs often feature complex geometric and floral designs, while using a wax-resist method of dying. During the workshop, we will go over culture, meaning, and teach the overall process.

Traditionally in Slavic cultures, egg decorating happens before Easter, which is on April 9th and 16th. Markham District High School will be hosting a workshop for students to learn the Art of Pysanky. **The workshop will be held on Wednesday, April 5th from 2:45 - 4:4:30 pm in Room 201.** All tools / materials will be provided with the cost of \$5. Proceeds will be going to Unionville Alliance Church to help all families in need.

Limited spots available on School Cash Online.-Mrs. Zafirovski
