Message from the Business Department

Financial Literacy Month

November is financial literacy month. To help educate our students on this important topic, the Business department is inviting students to compete in its first ever Financial Literacy Competition. To compete, students can access a google classroom where information will be posted weekly covering one of the following areas: investing, banking, credit and income management. At the end of the month, students will given a short quiz, to test their knowledge on these topics. The student who correctly answers all questions and in the fastest time will win a gift card. The code to access the google classroom can be found on the Business Department Bulletin board located on the second floor. We invite all students to compete in this challenge.-Ms. Lovell

IMPORTANT-School Start-Up Forms

Parents/guardians received an email from YRDSB Update with important school start-up forms to complete. It is important that these forms are completed as soon as possible at the start of the school year as they contain important information and permissions. *These must be completed in order for your child to appear in the yearbook.*

The forms can be found at <https://startupforms.yrdsb.ca/>.

A link to the forms can also be found on the Family Resources page of the Board website at www.yrdsb.ca/familyresources. Click on the Need Help link beside Family Startup Forms for additional information on how to log in to the Student GAPPS account to complete the forms.

Secondary school students can complete the secondary school student form at <https://startupforms.yrdsb.ca/students>. They will also receive the link in their student GAPPS account. Elementary school students **do not** need to complete these student forms.

Please note:

You **must be signed in to your child's student GAPPS account** to complete the form. Please remember to sign out of one account before signing into another. Additional information is available on the Board website on [how to login to the student account to complete the forms](#).

- The forms should be completed for each student, whether they are attending school in person or participating in remote, online learning. Parents/guardians must complete a separate form for each child attending school. Please ensure you log out of one student account before logging into another. You will not be able to submit the form twice logged into the same student account.

Hello Parents/Guardians,

We are Mr. Morris, Ms. McGill and Ms. McNeilly. We are teachers at Markham District HS. We just wanted to reach out to you regarding an opportunity at MDHS for African/Caribbean students.

We've started a group called **A.C.E (African/Caribbean Excellence)** as an opportunity to celebrate Black student achievement, while supporting all who are interested, throughout their journey at MDHS. We are trying to meet once every two weeks. This isn't an academic endeavour, instead it's simply a group that aims to provide a safe space for our Black students to connect, and engage in enriching opportunities.

There will be opportunities to participate in experiences of Black joy at MDHS and throughout the board. We are reaching out on behalf of our group with the hope that maybe your encouragement at home will convince your child to join this worthy endeavour.

Our next meeting will be: Tuesday, November 15 at 11:05 a.m. in room 205

Looking forward to connect in the near future,

Your A.C.E. Staff Advisors
