Message from DECA

Congratulations DECA members for their achievements at DECA's annual International Career Development Conference! MDHS' own team of Alice Glogova, Anu Narain and Abbisha Saskeekaran placed [within the Top 18 overall in their category](#).

Message from School Council

Please continue to use the PUDO to keep the parking area as safe as possible. Now that the nice weather has arrived, please encourage your students to walk or ride their bikes to school.

Do you PUDO at MDHS

What's a PUDO? It stands for Pick-Up and Drop-Off.

Do you know that our school has a designated Pick-Up and Drop Off area in the west parking lot area? If you're dropping off or picking up your child, please remember to do so using the Pick-Up and Drop-Off marked loop that goes around the parking area on the west side of the building. After dropping off your child, please exit by following the loop to the exit on Church Street.

To keep the parking area as safe as possible both in the morning and afternoon for the students and administration, you should not exit by using the parking laneways to the arrive at the exit.

Thank you in advance for your cooperation to ensure our students and our community are safe!

Message from the Co-op Department

Students who are interested in volunteering at Markham Stouffville Hospital in the summer of 2018 are strongly encouraged to submit their applications, by the end of this semester, directly to the hospital. This experience will be beneficial to students who are interested in a placement in a medical setting for their Co-op placements. -

Message from the Computer Programming Club

On Saturday April 28th, MDHS' **Computer Programming Club** participated in the **Education Computing Organisation of Ontario (ECO)** regional programming contest, held at York University. This competition lets teams of four students compete against teams from schools in other school boards, who have also qualified for the competition. Each team must accurately solve four challenging computing problems in as little time as possible. While the team from MDHS battled valiantly, at a respectable 23rd place (out of 70 teams!) they fell just short of the 18th place they needed to qualify for provincials.

A big thanks is due to **Conrad Masak** (not pictured) for his initiative and leadership with the club over the past three years. As many of our students are in grade 12 and will be graduating, there will be opportunities for everyone to step up and take a big role in next year's club as we begin the journey of qualifying for next year's regionals and provincials.

The MDHS Computer Programming Club continues to meet every Tuesday after school in Room 155. New members are welcome! Why not get a head start on your involvement as we plan for next year's club? The time to join is right now!

Message from Homework Club

If your child is looking for a supportive environment in which to complete homework, or work on assignments, the homework club is the place to be. We meet Tuesdays and Thursdays after school in the library. All students are welcome. A staff supervisor will be there to help with ideas and time-management-issues. If you have any questions, please email Mrs. Wheatley at sarah.wheatley@yrdsb.ca. (see page 5).

Best Buddies Prom

On May 2 almost 40 MDHS students participated in the 2018 Best Buddies Prom at Le Parc in Markham. This event brings together students of all abilities from more than 25 high schools across York Region to celebrate another successful year. Students and staff dressed to impress and enjoyed an afternoon of dancing as well as a great meal together. Special thanks to Ms. Ip, Ms. Puri and the Best Buddies club for organizing this awesome trip.
