### COURSE VERIFICATIONS

The course verification process will be emailed out when we return from March Break. Please ensure that your child is checking their gapps account daily as there will be a quick turnaround time.

**Once this opportunity to request a change has passed, NO course changes will be made going forward until the new academic year starts (September 2024).**

If you have any questions, please reach out to your alpha counsellor.

### SUMMER SCHOOL / E-LEARNING SUMMER SCHOOL

We recognize that there have been many inquiries about summer school courses for 2024. Summer school registration will take place beginning in **April**. More details to follow when they become available.

Once registration opens we will share the available course options, the process for registering for courses and if necessary, the process for replacing a course in your child's course selections for next school year as a result of a summer school registration.

## Community Involvement

**Planning to graduate in June 2024?** There are still over **150** grade 12 students with outstanding volunteer hours. If you have hours hanging around at home, please submit them as we want to ensure they are valid. Each grade 12 student with outstanding hours should have received a memo in their homeroom classes on Wednesday, March 6. The March break is a perfect time to get those hours if you haven't done so already! We have many opportunities posted in the Guidance office, please drop by for further information.
