### SUMMER SCHOOL (Please see flyer on page 2 )

Summer school registration opened **April 19, 2022**. For registration information: <https://www.yrdsb.ca/schools-programs/secondary-school/summer-learning-opportunities/secondary-summer-school/2022>

Once registered, you **do NOT need** to print the sign off form that is provided. Instead, parents/guardians will receive a confirmation email. Students can only take **one** acceleration course during the summer session. Transportation is **not** provided for this program.

If your student has registered for a summer school course that was also **selected in their course selections** for next year, then one of their **alternate courses** will be used as a replacement to their course selection. If your son/daughter is unable to complete this summer course, we will **attempt** to schedule the course back to their timetable in September. However, **guidance cannot guarantee** that there will be a seat available in the original course selected.

### OSAP (Ontario Student Assistance Program)

OSAP is now open and available for any interested students who wish to make an account/register. See the link below to proceed with your registration. The OSAP website also has FAQs and lots of good information for students (including an information module which walks you through the process and must be completed before you start the application).
