Way to go, Markville!! 135 awards at DECA Regionals!! Congratulations!!

DEPARTMENT SPOTLIGHT

STUDENT SUCCESS

Our Student Success team has begun an exciting two weeks of **Study Skills Presentations and Workshops** for our Grade 9 students!

From November 17th through November 23rd, all Grade 9 Period 4 classes were visited by Student Success and TAC Mentors to discuss **Study Skills Strategies for Success**.

These presentations are designed to emphasize the importance of developing effective study habits in Grade 9. Students learned about the value of having study schedules, eliminating distractions during study, and strategies to cope with stress and anxiety.

Following these presentations, all Grade 9s are invited to attend **hands-on workshops**, led by our TAC Mentors, where students will have the opportunity to put the presentation suggestions into action with their own course material! At the workshops, students can develop and master their skills in the following areas:

1. **Test Taking and Study Strategies - Mon. Nov. 27**
2. **Organization - Tues. Nov. 28**
3. **Time Management - Wed. Nov. 29**

These are all essential skills, necessary for academic and emotional well-being, that pave the way for greater success in senior courses and beyond.

Workshops will take place in **Rooms 310 and 311 during Period 3 (Gr. 9 lunch)** on **November 27, 28**

and 29th.

Grade 9s are encouraged to attend one or all!

Students attending should bring computers and course material with them, their lunch (and friends!) and come join us for support ... and Rice Crispie Squares ;)

If you have any additional questions or concerns, please do not hesitate to contact Ms. J. Li or Ms. Scagnetti.

-Student Success and TAC-
