Dear Families,

Starting this spring, Markville Secondary School is introducing Edsby, a new engagement platform tool for our students and families.

Edsby provides many opportunities for you to access information from your child's school. Edsby also allows online scheduling of parent-teacher interviews with your child's teachers, keeping details and information safe and secure.

We will be using Edsby this year to schedule our interviews. In order for families to access Edsby, a valid email address is required.

Today you will have received an email inviting you to activate your Edsby account. More information will follow regarding the process for online scheduling of parent-teacher interviews.

We are very excited about this new opportunity to connect with families. For more information on Edsby, visit the Edsby website at www.edsby.com/help/parents. Please feel free to contact us if you have any questions.
