Community Opportunities Site!

We would like to remind you of our [Community Opportunities Site](#) linked to our school home page where students, families and all community members can access up-to-date information about workshops, seminars, scholarships and more.

The screenshot shows the Markville Secondary School website. At the top, there's a header with the York Region District School Board logo and the school name. Below the header is a navigation menu with links like 'Markville S.S.', 'School Information', 'News & Events', etc. The main content area features a calendar for November 3rd and 6th, contact information for the school, and a section for 'Grade 8 Information Sessions'. A callout box at the bottom explains that clicking on the 'Community Opportunities' icon (a circular arrow) will lead to a page with up-to-date links to YRDSB sponsored events and resources. The callout box also states that the information is updated weekly.
