Message from Guidance

TIMETABLING

Guidance continues to develop the timetable for next year and, as such, is not available for appointments. HOWEVER, we are here and encourage students to simply walk in for anything they may need! **We ask that students check emails in case we need to get in touch with them, especially over exams.**

DUAL CREDIT

Registration for **Fall 2025 Dual Credit** is NOW OPEN. Applications will be assessed as students submit, but will NOT be processed until June 9. Please submit asap as programs fill up fast! **Priority** will be given to:

1. Grade 12 students (who meet the criteria in #2)
2. Students who are target audience (college-bound students, students requiring a credit to graduate, students needing pathway clarification)
3. Registration will be assessed based on transportation availability (ex: filling taxis from schools/neighboring schools; PRESTO card provided)

Students are to choose a course that is being offered by their closest college (these are indicated on the flyer).

Students are encouraged to fill out the application WITH a guidance counselor/PAE teacher/student success teacher.

SUMMER SCHOOL

LIMITED SEATS WILL BE AVAILABLE FOR REGISTRATION AFTER APRIL 18. All Summer Information can be obtained directly from the [YRDSB website](#). For more information on Summer School, please see the [April 17th eBulletin](#) and the [FLYER](#).

*****[myBlueprint](#) and the [form](#) **BOTH** must be completed for approval*****

IMPORTANT: At this time, if a student selects a summer course that is currently in their 25-26 timetable, the course canNOT be removed until August. Please make decisions wisely, as it may not be possible to replace the course, and do note the YRDSB policy below. It is strongly advised to no longer register summer for courses that are currently in a student's course selection for next year.

Indigenous Languages and International Languages

Indigenous Languages and International Languages has announced that registration for the secondary credit course selection is OPEN!

Full-Year Remote Language Courses (Grades 9-12)

- Courses are offered once a week for 3.7 hours, either Wednesday evenings or Saturday mornings.
- The program runs for 30 sessions, typically from September to June.
- Instruction is delivered live and in real time via Google Classroom, with a mix of synchronous and asynchronous learning.
- *Note: Course availability may vary depending on enrollment.*

Resource:

- All program updates will be made on the [YRDSB ILIL Program Webpage](#), [Secondary Programs](#), as well as a PDF version of the [flyer](#) for convenience.

POST-SECONDARY

Final Report cards are being made available to students in Night School. Please see the following important information.

Private schools must upload marks directly to OUAC for midterm. The final report card MUST be emailed directly from the Private school to Guidance so that the course can be added to the student's Transcript. NOTE: OUAC and the Transcript are not the same thing. Please ensure that the report card has been sent to Markville Guidance.

Uploading of final marks from **Public Night Schools:**

YRDSB Night School – happens automatically; no action required

TDSB Night School – Students had previously added "Toronto District Night School" to OUAC/OCAS @ midterm in order for the mark to be uploaded. It will upload again. When students receive the final report card, they MUST BRING the physical report card to Guidance for the Transcript.

TCDSB Night School – The report card will be mailed (as we understand it). Students MUST BRING the physical report card into Guidance to be added. Guidance will add it to the Transcript and OUAC/OCAS

YCDSB Night School – Marks will be uploaded again to OUAC/OCAS by YCDSB. Students MUST BRING the physical report card into Guidance to be added to the transcript.

In all cases, students are responsible for ensuring marks are in OUAC/OCAS and report cards are received by Guidance.

For students who did not receive an offer, they are able to refer to the [poster](#), and can register for the **Admission Information Service (AIS)** through OUAC to see what programs are still taking applications.

Lastly, **Durham College** has informed us of their **summer transition event** for Gr 12 students who have an IEP on **Tuesday, July 8th, 2025, 5:00–8:00 pm**. Please see their [flyer](#) for details. It is possible that other transition events are occurring at other post-secondary institutes – please reach out to yours to find out!
