Family Studies Spotlight

Winter Food Trends Market

Students from the grade 12 HFA4U1 ran a winter Food Trends Market to the school community highlighting their learning of current food trends that impact health and wellbeing. It was no ordinary winter food market! Students made and sold a

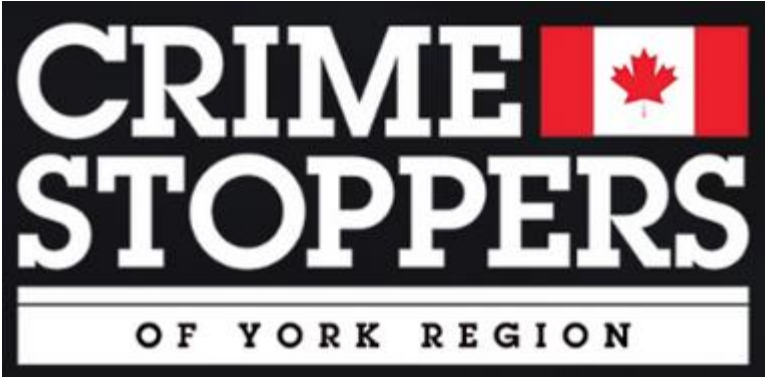

variety of creative foods, putting into practice and application their culinary skills and knowledge of nutrition.

Those who attended the market reported that their sample platter was bursting with flavour. Some specialties included: Saffron-turmeric rice, matcha latte, chicken katsu, salmon bites, vegan chili and many more.

This was a unique opportunity for students to demonstrate their diverse learning and evaluation of current food trends and patterns to their peers and teachers.

ABC Club/SHSM Spotlight

York Region Crime Stoppers is a non-profit organization that is dedicated to providing the public a safe and anonymous way to help police solve crimes. Every year, a symposium is hosted for YRDSB students to attend and learn about how they, as a member of the community, can **stand up and stand together**. On February 16th,

students from our Anti-Bullying Club heard from three professional keynote speakers sharing inspiration and thought provoking messages covering topics including social network/online safety, inclusivity/diversity and motivation/self-worth in the symposium.

To heighten student engagement and participation, an awareness poster designing contest was also held with \$250 worth of cash awarded to the final three contestants. Angel Ma and Hamshini Gnanabaskaran from our school were chosen as one of the three finalists of the contest! A big congratulations to them both on their achievement.

Message from Guidance

UPCOMING PRESENTATIONS

Guidance will present to **Gr 12 students** on **March 7th** about **How To Accept Your Offer to College or University**. This presentation will take place at 3:30pm and will be posted on the **Guidance Google Classroom**. As well, Guidance will be presenting to **Families** on **March 8th at 6:30PM** about **Funding Post-Secondary**. This presentation is open to all families, but is of particular interest to Grade 11 & 12 families. The link to this presentation can be found on the **Guidance Family Night Webinar page Agenda**.

Have a great weekend!
