School Notice

Dear families of Grade 12 students,

Please be aware that when students turn 18 years of age, the system automatically sends all communication to the students' GAPS accounts. At that point, families no longer receive any communication to their email addresses (e.g., report cards, teacher communication, e-bulletin). In order to continue to receive information from the school, the student is required to complete a form providing permission to share any school-related communication with their families. Please ask your son/daughter to email the school at Markville.ss@yrdsb.ca to request a form if appropriate.

Thank you for your attention to this important communication update.
