

Hello Meadowbrook families,

We have had a great start to October at Meadowbrook. It was wonderful to see our kindergartens and their families out for our PJ story night last night. Thank you to those who could attend.

Some of our intermediate students are preparing their election campaigns for student council executive and we will be hosting a candidate rally and elections this coming week. This is an exciting time for our students and we wish all of the candidates the best as they present their platforms.

We congratulate all of our Cross Country Team runners who attended the area meet yesterday at the ROC in Georgina. We are very proud of you all and wish those who are going on to Regionals the very best. The report back to the school was that our students were the most respectful bunch at the meet. Way to go, Wildcats!! Thank you to Mrs. Saunders, Ms. Aldridge and Mrs. Jodoin for all your work to train and support the team.

School Council

School Council has started. We would like to introduce the parents who will be serving this year: **Trisha Phillips** and **Jill Bowie Kyle** will be sharing the chairperson responsibility. **Angela Longland** will be our secretary and **Alexandra Marques Silva** will be our treasurer. School Council is open to all to attend meetings. Our next meeting date is November 12 at 7 pm in the library. We will be sharing some of our school data and our plans for this year at this meeting. We are all in new positions for council this year and are looking forward to doing great things for Meadowbrook PS. If you have any ideas and/or suggestions, please join us at a meeting. If you are not able to join us, please reach out with any one of us because we want to hear from you! As many of you know, fundraising is at the heart of school council. Through Pizza Lunches, Sub Lunches, QSP, and DFS sales, School Council helps raise the money to support things like: **Bussing for class trips, Technology (new laptops and new Chrome books coming soon), Scientists in the Classroom, Literacy Programs, Outdoor Education, Win Its, Community Events and Grade 8 Graduation.**

Edsby- Did You Know:

On Monday, an email invitation to all families who have yet to register for Edsby was sent to each family for whom we have email contact information. Please accept this invitation to Edsby as much of our future school correspondence such as booking interviews for parent/teacher conferences will be accessible online. In addition, this application has a feature which allows parents/guardians to inform the school of student absences and monitor your child/children's absences and lates on a daily basis. We continue to encourage families to contact the school office if you have any questions about registering for Edsby.

This Coming Week
