Hello Meadowbrook families,

Authors in the School Program:

Canadian Children's Author, Susan Aguilo will be visiting Meadowbrook on November 6th as part of the "Authors in the School Program". She will provide interactive reading and writing workshops for our grades 1-6 students. Opportunities will be available for students to purchase signed copies of her books. See next week's Meadowbrook Newsletter for further details.

Construction Update:

Please see the second attachment for a communication from the town regarding the construction on Patterson.

Edsby Invitation

For the parents who do not yet have an Edsby account, you should receive an invite from Edsby to activate your account. Please check your junk and spam folders as it does come from Edsby and not the school. It is important that you have an Edsby account to report your students absent or late as well as for upcoming parent teacher interviews. If you have any questions please contact Ms. Dollery in the office.

Eco Club:

Our **Meadowbrook Eco Club** is looking for a parent interested in helping with some meetings. You can help with what interests you, such as helping students maintain the front garden, themed walk and talks, waste management training, fundraising and planning for a tree grove planting in the primary area etc... There will be a training session to attend with Madame Cusack on Nov. 7th in Newmarket in preparation. A vulnerable sector screening is required. Please contact me at 905-895-3081 x222 if interested.

Wadoka Martial Arts:

If your child is in Wadoka and you already have a uniform, please let the school know. If you have a uniform that your child no longer uses, we appreciate donations. Due to

the large number of students, we have changed the groupings and days so that all students can participate:

- Grade JK - Monday
- Grade SK - Tuesday
- Grades One/Two - Wednesday
- Grade Three -Thursday
- Grades Four to eight – Friday

Let's BOOGIE!

Boogie is a high-energy dance program that combines creative movement, hip music and various dance techniques/styles. Boogie provides children an opportunity to be part of an inspiring dance community and enjoy dance lessons throughout their school day. The program is designed so that children will develop their dance skills, balance, agility, self confidence and competence, as they engage in a fun physical activity with their peers.

This program will be offered to Meadowbrook students in Grade 3-6 during their lunch period 12:20-1:20 on Wednesdays.
