<p>decreases with higher sales</p> <p>Doran - maybe wait and try in Spring around Easter</p> <p>Hobor / Doran - it's like sending money home if kids have to bring it home</p> <p>Victoria - some marketing ahead of time would help with more sales</p> <p>Cluff - could we survey the attendees at the upcoming concert event to see what type of fundraising should be done?</p> <p>Doran - contact other school (Hartman) to find out what their experience with FundScrips</p> <p>Hobor-pass at this time, not happening for first semester fundraising</p>		
<p>Playground Planning</p> <p>Hobor - Do we want to save funds for a playground?</p> <p>Hobor - Have looked into format for starting up ie 10 step process, all moneys have to be ready and plan[dream] must be clear ahead of time, playground \$30-40K and then installation another \$30-40K,</p> <p>Stacey - who pays for inspections? [inspections are free, repairs cost money]</p> <p>Doran - survey the community whether they would want a new playground?</p> <p>Apps - maybe we could send out a survey monkey?</p> <p>Cluff - can we solicit money directly from parents? Can we market the vision and not ask do you want a playground? yes, donations are fine</p> <p>Linda - is there an expiry date for our playground?</p> <p>Apps - it is good that the playground is metal it will last longer, but it could be locked out if inspection fails</p> <p>Papageorge - can we ask community partners ie Magna</p> <p>Hobor - can we start a committee? as this is a big project</p> <p>Gettel - How much is it used by students?</p> <p>All group soft vote - 'YES' want to have a committee to examine it - will need clear timed proposal if we are going to approach sponsors and business partners</p> <p>Subcommittee - Trish, Victoria, Margaret, Linda</p> <p>Apps - will check at Prince Charles to see what their process looked like</p> <p>No survey out to community yet, Subcom needs to do some research first</p>	All	30 / 7:45 / 7:56
<p>EQAO presentation</p> <p>-scores are low</p> <p>-we know each question and how they answered it</p> <p>-data is helpful</p> <p>-overall edu system is doing well in Canada/Ontario</p> <p>-school plan - 1 Math esp in primary , exempt and non answered, and how they answered, maybe did not read whole question</p> <p>2 staff will be digging into curriculum and comprehensive math prog prb solv, game puzzles, mini lessons in order to engage math that is real, 20 resource days for release to build PD</p>	Lorraine Doran	30 / 8:15 / 8:28

3 staff noticed that the ability to regulate and ready to learn is not as focused as necessary Dr. Shenker suggests online resources on how to focus open layout concept schools - some PD around building self regulation in an open concept, staff inquiry... what does regulation look like

Hobor - can council help with assisting kids in need of social support or wellness support -
Doran - no direct support or convos as that could break confidentiality with child, 'I ask for board support'
Hobor - can we provide financial support to bring in resources
Doran - next month Jennifer Gillespie will be coming to December school council and staff meeting to discuss community resources to help those in need
Doran - bringing in [F&ST](#) program for primary, early years program NextGen men for 7% boys, still looking for junior boys program

Lost and Found
-why are items heaped if there are names in the articles?
Papageorge - can we have a scheduled walk through of the the clothes pile
Doran/Gettel - kids will deny that it is theirs, items will be laid out for inspection, items stay out for a week and this happens about once every 2-3 months
