Approval of May Minutes & Action Items Frozen Yogurt - Katie has requested info but has not received anything to date Engraving – The company can't lower there prices. We could look at replacing the trophies that students receive with medals to lower the cost. Signed T-shirts was another option suggested. To be discussed next year. Sports Jerseys – The pinnies are too big on some students so we need to look at new options (i.e. Jerseys) as a budget item next year. The teacher contact for info would be Mrs. Beckett Healthy Schools - we have 10-15 days of exceptions to use each year. Need to set up a Healthy school committee next year. Katie and Rachel both volunteer to help with this. Will need to be started in September. Direct Donations – Items can be given to the school on whole, but not to a specific person or class. Concern was raised about the transparency of this . We can't solicit donations, but if someone asks if they can donate they can. Ipad – The Ipad that Little Caesars donated to the council will be given to the school and not used as a prize. It was suggested that we need to get eyeballs or case protectors for the Ipads in the school so that students are able to roam with them. Will need to be discussed with Mrs. Gettel in September. Fast –Katie brought to our attention an 8 week program that involves parents, teachers and kids. It's a community builder event were parents get together to cook with 1 hour with eating what they cooked after. The children and parents then split	Hayley	15 mins	7:19/7:20

into 2 groups so that the parents can discuss parenting skills. At the end of the event there is a show with the kids. Numbers are limited and there is a budget for the project. Rachel wants to be involved with this			
<p>Financial Report –</p> <p>We will have money left over again this year. We will need to discuss in September when budget is being set if we want to use the money or set it aside for a future project (i.e. new playground equipment). Next year we may want to attend both nights or only the parent/ child night. To be discussed next year closer to the event.</p>	Jenn Apps	10 mins	7:59/7:55
<p>School Event (spring)</p> <p>A budget has not been set for the event. It was voted on and passed to give a \$50 gas card and a Wildcat t-shirt to the DJ as thanks. Info needs to go out about the raffle tickets and pictures/ info about the numerous baskets and raffle prizes. It was decided that volunteers would not be fed. Volunteers would be asked to work for 30 or longer if they requested it. Several Council members volunteered.</p>	Event Committee	15 mins	8:14/8:29
