January 18, 2017.

Dear Families,

We recognize that our school has experienced some traffic and parking challenges this winter.

Here are a few solutions we hope you can try in order to ensure all our students, staff and community members arrive safely on a daily basis.

1. **Take the bus to school** whenever possible.
2. Plan to **arrive well before 8:00 a.m.**, as supervision begins at 7:45 a.m. On days where the wind chill is considerable, we bring student indoors at 7:45 a.m.
3. **Carpool** whenever possible.
4. Consider **alternate parking** near the school (e.g.: Romance Crescent and/or the parking lot of the Richmond Hill Park next to the school) and walk your child to the school.

Your cooperation in this matter is greatly appreciated!

Thank you,

N. Russiello
