A Message from the Chair

On behalf of the School Council, we would like to take this opportunity to thank the staff, volunteers, and the MJPS families for an unforgettable 2020/2021 school year! Your time and contributions are much appreciated. A very special THANK YOU to all the MJPS administration and staff for all your effort and dedication while we pivot from in-person to on-line learning and back again! We would also like to send a great big "thank you" to the Caretakers for making our school a clean and safe environment for our children. Last and certainly not the least, a big thank you to our dedicated Council Members for all their time spent at meetings, and contributions throughout the year!

I encourage all guardians and parents to get involved by joining our school council meetings next year. You will be notified in September about the first meeting, where you will have a chance to join the school council, or just attend and participate. Please feel free to send a message by email to us at Michaëlle.jean.ps@sc.yrdsb.ca

Good luck to the Grade 3's moving on to a new school and looking forward to seeing everyone else in September!

Have a safe and wonderful summer!

Kimberley Sato
