INCLEMENT WEATHER DAY

If YRDSB cancels school busing, it is considered an inclement weather day. The exams scheduled on that day will be moved to Wednesday, January 31, 2018.

EXAM EXPECTATIONS

Toward the end of each of your courses you will begin to complete the 30% culminating evaluations. Many of your courses will have an EXAM as a culminating evaluation as well. Each of your teachers will review where these exams occur on the schedule.

Once the first day of exams begin, there are no regular classes. Students are to be at home studying, and only permitted at MCI if you are writing an exam or getting extra help from a teacher by appointment.

Attendance/Punctuality

BE EARLY: You are responsible for arriving punctually for each exam at the scheduled time and location. It is advised that you report to the exam room **15 minutes before** the beginning of the exam.

LATENESS: If you are less than 15 minutes late for an exam, report directly to the regular exam room. No extra time will be given for that exam. If you are more than 15 minutes late, report to the Main Office for further instructions from your Vice Principal.

Missing a Final Evaluation or Culminating Activity

If you are absent for an examination you must provide a letter from a doctor that states "(Indicate your name) cannot write the exam on (Indicate date) at (Indicate time) due to (indicate reason)". If you miss an exam due to any other reason, (Bereavement or Court Appearance) you must provide supporting documentation. As soon as you know you will be missing an exam, contact the school at (905) 472-8900 to speak with Mr. Tsigaridis.

What to Bring to the Exam

- Your textbook if you have not already returned it
- Pens, pencils, erasers, etc. (bring extras)
- Non-programmable calculators (where permitted)

Leave all bags, backpacks, coats, electronic devices at HOME or in your locker. You are not permitted to wear any head/earphones in the exam room. SHARING of any equipment or materials during the exam is not allowed.

Washrooms

You are not allowed to leave the examination room until the end of the exam time period. Please ensure that you go to the washroom before the exam starts. If it is an emergency the supervising teacher will contact exam central and arrange for an escort to the washroom.

Cheating

Talking or any suggestion of cheating during the exam will result in a mark of zero for that exam. Additional consequences may also be incurred. Students must not leave their seats during the exam. Additional paper or clarification of instructions may be obtained by raising a hand to get the attention of the supervising teacher.

At the end of your exam

If you are finished writing your exam and there is still time left, use this opportunity to review your answers. Students are to remain seated and silent until all exams are collected. Students must remain in their exam room for the entire time length of the exam, **students cannot leave early**. The supervising teacher(s) will dismiss the students at the end of the time allotted for their exam. Upon leaving, students must exit the school quietly. Please remember that some exams may still be in progress.

ONCE YOUR EXAM IS FINISHED, YOU MUST EXIT THE SCHOOL IMMEDIATELY.

Be prepared to show your exam schedule to gain admittance to the library.

PREPARE FULLY and GOOD LUCK!
