## 15. Safe Arrival Program

We want to remind parents/guardians about our changes implemented to the safe arrival program last year.

A Safe Arrivals program is a series of steps which are performed together with daily school attendance taken to ensure student safety. A safe arrivals program is a mechanism that parents/guardians and schools can use to account for any student's unexplained absence.

Please note the following:

- Automated school attendance information will be sent 3 times a day for any unexplained absences:
  - End of Period 1 - report period 1 unexplained absences
  - Lunch - report period 2 unexplained absences
  - End of School Day - report the entire school day unexplained absences which includes period 3 & 4

- When a student is absent, a parent /guardian must contact the attendance office either by phone (ext. 150), written note or email ([middlefield.ci.attendance@yrdsb.ca](mailto:middlefield.ci.attendance@yrdsb.ca)) indicating a valid reason for the absence. Please complete this before 8 a.m. on the day of the absence to ensure the absence is entered into the system.
- When replying to an automated attendance message, please specifically indicate that you are approving the absence in order to avoid any misunderstanding.

As a result, we want to remind parent(s)/guardians(s) that they should

- A. provide the school with complete and current emergency contact information during the first week of September, and throughout the school year if information changes, to the Main Office;
- B. inform the school of all absences, late arrivals and/or changes to departure plans of their child as soon as possible;
- C. (if a child is 18 years or older or have declared independence) ensure the form Consent for Information Sharing - Student of the Age of Majority is submitted to the school.
