Greetings to our MCI Families

Welcome to the 2022-2023 school year! We hope that you had a wonderful summer relaxing and spending time together. As the new Principal of the school, I am excited to be at MCI and look forward to getting to know our students, staff and families as we all partner together in the pursuit of student achievement and wellness. MCI hosted an awesome welcome day for our Grade 9s on September 7th and we have been registering new students daily. We are so pleased to have everyone back to school and in-person. High expectations, high achievement and high support are characteristics of what happens at MCI. Included in this bulletin is information that will help in providing the best opportunities for your child's success.

We look forward to working with you this year.

Sincerely,
A.Higgins Wright, J.Bordonali & H. Brar

MCI Highlight

On Wednesday September 7th, we had the opportunity to welcome our incoming grade 9 students. It was a wonderful day full of interactive activities that allowed our grade 9 students to get to know the school building and meet all of the teachers and other staff that are here to support them. We are so excited to learn from all of our grade 9s and have them as part of our MCI school community!

Photo Day

Picture Day will take place on Monday September 12th for Grade 9-11 students. The students will be called down accordingly.

Period 1- Grade 9

Period 2- Grade 10

Period 3- Grade 11

Grade 12 Picture day will take place on Tuesday September 13th.

School Engagement Fees

The voluntary \$40 Engagement Fee is collected as part of the school start-up process. This fee supports:

- student participation in extracurricular activities (e.g. sports team and club membership);
- spectatorship at school competitions (e.g. games, tournaments);
- school functions (e.g. Grade 9 Conference, dances, buy-in assemblies, etc.);
- assistance to student groups in building and strengthening the sense of community within the school; and
- school enhancements such as cafeteria microwaves and television monitors that are in addition to school budget items.
- Access School Cash Online [here](#)

School Learning Model

All MCI classes will be fully in-person. Students will no longer be in a hybrid class where some students are online and others are face-to-face.

Medical Health Care Forms

It is critical that parents and guardians share information with us about students' serious or life-threatening medical conditions or other health-related matters so that we can create fulsome Health Care Plans that help keep students safe. We encourage students, who are able, to contribute to the creation of these plans too.

Please access any forms (to the right) as needed. Completed forms and medication can be placed in a sealable bag, with the student's name marked on the bag and left in the Main Office. As always, please contact us with any questions or concerns.
