School Council Meeting

Wednesday February 17th, 2021

We are on Indigenous Land

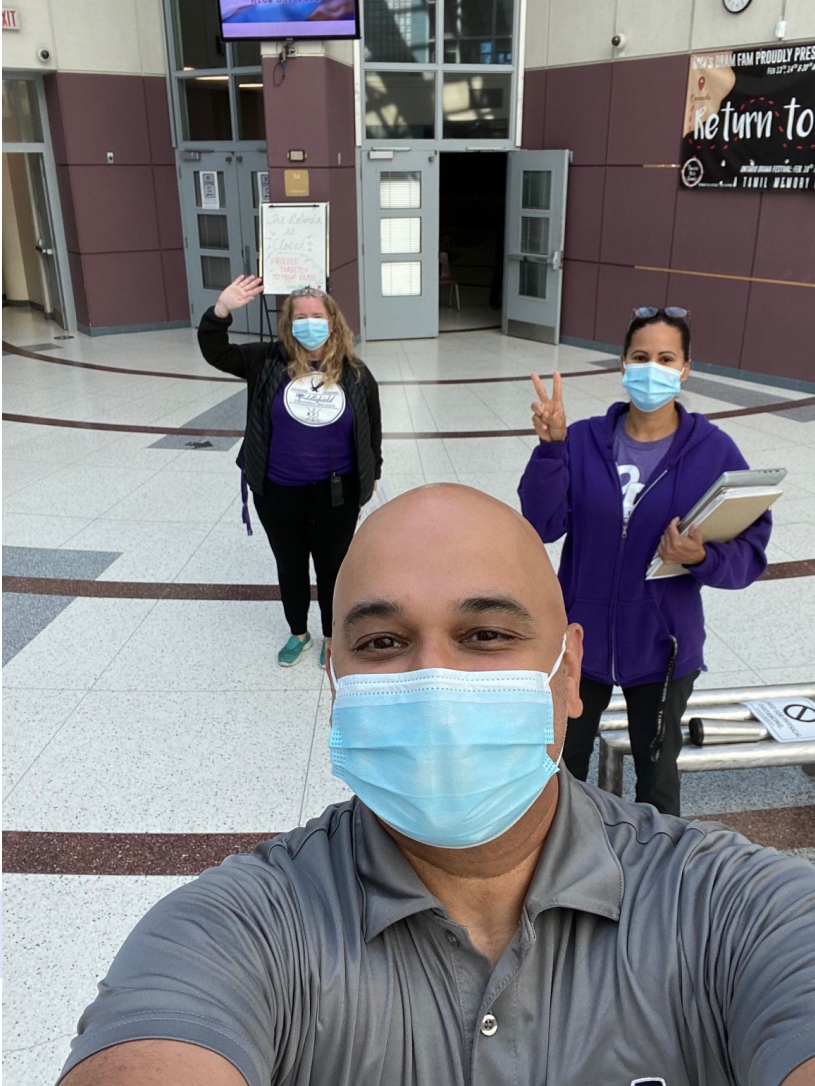

We acknowledge that MCI is on the traditional territories of the Wendat, the Haudenosaunee, and the Anishinaabe peoples, whose presence here continues to this day.

We acknowledge that MCI is on the treaty lands of the First Nations of the Williams Treaty and thank them and other Indigenous peoples for sharing the land with us. We would also like to acknowledge the Chippewas of Georgina Island First Nation as our closest community and partners in education.

“Land acknowledgments are a stepping stone to honouring broken treaty relationships.”

My Pathway Planner Overview

Course Selection: My Pathway Planner

The screenshot displays the 'My Pathway Planner' web application. On the left is a dark blue sidebar with a navigation menu containing: Home, Who Am I, High School, Continuing Education, Post-Secondary, Work, Money, Guides, Favourites, and Notifications (0). The main content area has a top header with 'Gr. 8', '250 points', and the user 'Paul Stephenson'. Below this is a 'Home' section with tabs for Dashboard, Tasks, Classes, Goals, and Portfolios. The 'Tasks' tab is active, showing a 'Complete your IPP Tasks' section with a 25% progress bar and a description: 'Individual Pathways Plan (IPP) Tasks help you plan your education and career while earning points for prize draws'. There are buttons for 'View All Tasks' and 'Show Progress'. To the right is a 'Home > Goals' panel titled 'Add 2 Goals' with a '+250 points' indicator. Below the tasks section, there are two cards: 'High School Progress' for 'Middlefield C.I.' showing '30 weeks until graduation' and a 'Course Selection is now open!' message with a 'Not Submitted' status and a 'Not returning next year?' note; and a 'POST-SECONDARY' card titled 'Explore your options' with the text 'Research and compare information on thousands of post-secondary opportunities in every pathway.' The Windows taskbar is visible at the bottom.

Compulsory
Subjects

Non
Credit

What do you need to graduate from high school?

18 compulsory credits

Students must earn the following compulsory credits to obtain the Ontario Secondary School Diploma:

4	credits in English (1 credit per grade)*
3	credits in mathematics (1 credit in Grade 11 or 12)
2	credits in science
1	credit in Canadian history
1	credit in Canadian geography
1	credit in the arts
1	credit in health and physical education
1	credit in French as a second language
0.5	credit in career studies
0.5	credit in civics

In addition, students must complete:

✓	12 optional credits†
✓	40 hours of community involvement activities
✓	the provincial literacy requirement

Plus one credit from each of the following groups:

Group 1:

- English or French as a second language**
- a Native language
- a classical or international language
- social sciences and the humanities
- Canadian and world studies
- guidance and career education
- cooperative education***

Group 2:

- health and physical education
- the arts
- business studies
- French as a second language**
- cooperative education***

Group 3:

- science (Grade 11 or 12)
- technological education
- French as a second language**
- computer studies
- cooperative education***

* A maximum of 3 credits in English as a second language (ESL) or English literacy development (ELD) may be counted towards the 4 compulsory credits in English, but the fourth must be a credit earned for a Grade 12 compulsory English course.

** In groups 1, 2 and 3, a maximum of 2 credits in French as a second language can count as compulsory credits, one from group 1 and one from either group 2 or group 3.

*** A maximum of 2 credits in cooperative education can count as compulsory credits.

† The 12 optional credits may include up to 4 credits earned through approved dual credit courses.

Course Selection: Things to Consider

Check your Graduation Progress!!

The screenshot shows the myBlueprint website interface. The main content area is titled 'gr 10' and displays a grid of course options for Grades 9, 10, 11, and 12. Each grade has a 'Plan Ahead' button. The 'Graduation Indicator' section on the right shows a progress bar for '30/30 REQUIRED CREDITS' with a green checkmark. Below this, there are buttons for '30 Planned', '0 Earned', and '32 Total'. A large arrow points from this section towards the 'Graduation Progress' modal.

Graduation Progress

	30 Planned	0 Earned	30 Required
Compulsory 0/18 Credits			
	Planned	Earned	Required
✓ 4 Credits in English (1 credit per grade)	4	0	4/4
✓ 1 Credit in French As a Second Language	1	0	1/1
✓ 3 Credits in Mathematics (at least 1 credit at the grade 11 or grade 12 level)	3	0	3/3
✓ 2 Credits in Science	2	0	2/2
✓ 1 Credit in Arts	1	0	1/1
✓ 1 Credit in Health and Physical Education	1	0	1/1

Course Selection: Things to Consider

- ▶ PREREQUISITE PLANNING: PLAN WITH THE END IN MIND:
 - ❑ Post Secondary pathways have certain eligibility requirements (usually grade 11 or 12 prerequisite courses) that must be met
 - ❑ Many Grade 11 and 12 courses have prerequisites
 - ❑ Some courses are offered in alternate years or through other delivery models (e.g. Night School)
 - ❑ Planning with the end in mind is essential

See your Guidance Counsellor to learn how to research these requirements and to confirm what is needed for your pathway.

Dual Credit Program

College Credits that count towards your High School Diploma.

Select the above course in your planner and see your Guidance Counsellor for a link to the online application.

A screenshot of the 'Inspire Learning!' website for the York Region District School Board. The page is titled 'College - Delivered Dual Credit Courses'. It lists several bullet points about the program, including that it's free, allows earning high school and college credits simultaneously, and offers various pathway options. It also mentions that the program is in partnership with local colleges. Below the text, there are links to 'Dual Credit Course Descriptions by College' and a 'Dual Credit Brochure (PDF)'. A section titled 'How To Apply' lists two steps: completing an online application and filling out a college application form. It provides links to the 'YRDSB Application Form' and '2019-20 Seneca Registration and Consent Form' and '2019-20 Humber Registration and Consent Form'. A final note advises students to check their email for important messages and orientation dates.

Sept 11, 2020

Greetings parents and guardians,

We would like to offer all of our students, staff and families a hearty welcome back for an exciting year at MCI!!! The 2020-2021 school year is officially under way and we can honestly say that this year will be like no other that we have had in the past. School start-up at MCI as we know it has changed: we welcomed our Grade 9s on 2 days in 2 separate cohorts, our community class students and our online afternoons have started to round into form. With many questions on everyone's minds – and, for the moment, not so many answers! – we want to reassure our the MCI community that we are here and every excited to see staff and students in our classrooms once again. As is our tradition, we would like to open the year by reminding everyone to put their best foot forward in these unprecedented times so that MCI's reputation as one of the top schools in the province remains where it belongs...at the top of the list. As our motto goes, High Expectations...High Achievement. Welcome to the 2020-2021 school year!

This is the first edition of the weekly E-Bulletin for the 2020-2021 school year. Usually sent on Friday afternoons, this communication serves to highlight school activities, including both events that have recently taken place and also what we are looking forward to in the near future. Staff contact information is included near the end of every message. We hope you find the E-Bulletins helpful and informative. We are open to feedback, please share your thoughts at Middlefield.ci@yrdsb.ca on how we can improve our E-Bulletin.
