

Registration for the 2017-18 School Year FAQs

When can I complete registration?

Registration for the 2017-2018 school year can occur online through School Cash Online starting the week of August 14, 2017. If you need help with online registration, please come in person on Tuesday, August 29 and Wednesday, August 30, 2017 from 9:00-11:30am and 1:00-3:00pm.

Do I have to come to Registration Day if I paid for my fees online?

Yes. If you paid for your fees online, you will still have to come to pick up important information for the school year, as well as take your school photo. Having paid online, you will save time by not having to register for SchoolCash Online and make your payments on Registration Day. Further, by setting up your account with School CashOnline, you will be setup to receive field trip, club and sports team information. School CashOnline will be the method of payment for all school events.
