Grade 8 Open House

Welcome Students and Families

Land Acknowledgement

We would like to start by acknowledging that we are on the traditional territories of the Wendat, the Haudenosaunee, and the Anishinaabe peoples, whose presence here continues to this day. We also would like to acknowledge this is the treaty lands of the First Nations of the Williams Treaty and thank them and other Indigenous peoples for sharing this land with us. We would like to acknowledge the Chippewas of Georgina Island First Nation as our closest community and partners in education.

We acknowledge this land and the people because the first step to reconciliation is recognizing the existence of Indigenous people. The Truth and Reconciliation Commission of Canada Calls to Action (numbers 62 - 63) speak to the significance of education as the key to reconciliation. A shared understanding of how our collective past brought us to where we are today will help us walk together into a better future.
