

MMPS Update

Dear Families,

All of our known school happenings are listed in the monthly calendar and on our website. However, in an effort to keep you in the loop of what is happening at school, we will be sending you email updates periodically. Please ensure that you visit our website regularly to keep you and your child(ren) informed. Our school website homepage can be found at: <http://www.yrdsb.ca/schools/millikenmills.ps/Pages/default.aspx>.

You can also follow us on Twitter @MillikenMillsPS.

Kindergarten Registration: Kindergarten registration will commence on January 20, 2017 for the 2017-18 school year. Registration forms are available on YRDSB's website: www.yrdsb.ca. Children who turn four or five years old during 2017, live within the school boundary and whose parents are public school tax supporters will be eligible to register for kindergarten. A kindergarten information session for parents is being planned for this spring. For more information please visit the YRDSB website or contact your local school.

French Immersion Information Sessions and Registrations: Information sessions for the French Immersion (FI) program will take place at French Immersion schools on January 19, 2017 at 7 p.m. Please visit YRDSB's website in January 2017 (<http://www.yrdsb.ca/Programs/fi/Pages/Program-Locations.aspx>) to find the FI program location for your elementary school location. FI registration will begin January 20, 2017. Parents or guardians of Senior Kindergarten students entering Grade 1 in 2017, and wishing to enroll in the FI Program, can visit or call the school office and request an *Office Index Card - short version*. The Office Index Card must be signed by the principal of the home school. Parents or guardians then take this form, along with one piece of identification showing their address to the designated FI program location to register between January 20 and February 10, 2017. This eliminates the need to provide duplicate enrollment information or to pre-register.

YRDSB's FI Accommodation Plan provides long-term consistency and equity of access to all students in York Region and will enable YRDSB to continue to offer the FI program to all who wish to enrol. The FI program will be offered in Dual Track or Single Track settings, in a variety of configurations. In order to meet community needs and optimize available space in our schools, a community's Grade 1-8 FI program may be provided over more than one school during the course of a student's FI education. This will allow flexibility in addressing community needs and the opportunity to use existing space in schools. More information is available on the Board's website: www.yrdsb.ca. Please note: Some of the FI accommodation plans will require facility modifications or the development of new schools and will require short-term transition plans that might include overflow while we work toward the long-term vision. Overflow refers to situations in which the Board directs students to attend a school other than their community school or optional program for a specific period of time, as defined in Policy #108.
