## Class Placements 2022-2023

Thank you to everyone who provided input into class placements for next school year.

We appreciate your input; however, please do not consider a request a guarantee of a particular placement.

We will certainly take your input into consideration, along with several other factors.

Organization, teacher assignments and class placements will not be finalized until the final week of the summer vacation.

If a re-organization is necessary, placements could possibly change at the end of September.

We are all looking forward to the excitement of the events in June followed by a long wonderful summer.

You will receive your child's report card electronically during the week of June 27th.

If for any reason, other than graduation, your child will not be returning to Moraine Hills P.S. in September, please let us know. We require this information whether he/she is leaving permanently or simply extending a vacation beyond the first day of school.

If neighbours move in over the summer and inquire about registration, please let them know that information will be posted on the front door of the school directing them to a central location where the registration process will be taken care of during the summer.

## Early Dismissal in Elementary Schools

All schools in the York Region District School Board are committed to improving student achievement and well-being. On **Thursday, June 30th, 2022** an early release day will take place to allow elementary teachers and support staff to take part in meetings during the afternoon of that day. These meetings will allow for school staff to engage in culminating activities regarding the review and revision of the School's Improvement Plan as well as year-end and transition activities that support student success.

As has been our practice in the past, students will attend school during the morning of Thursday, June 30th, only. Students will be dismissed early that day at **11:20 a.m.** Arrangements will be made to ensure that students who are normally bused to and from school will receive transportation at this time. Parents/guardians whose children attend after school child care should make appropriate arrangements to address this change in schedule.

## Transportation Eligibility

It is important that you are aware that your child, going from Grade 3 to Grade 4 may not be eligible to take the bus in 2022-2023.

Students' bussing eligibility changes throughout their school career. Your son's/daughter's eligibility to ride the school bus may change according to his/her grade and distance from home to school. Below are the provisions for eligibility identified in the Board's Transportation Policy #680:

- All YRDSB students in Grades JK-3 who live within 1.2 km of their school are **not** eligible for transportation
- All YRDSB students in Grades 4-8 who live within 1.6 km of their school are **not** eligible for transportation
- All YRDSB students in Grades 9-12 who live within a transit served area are **not** eligible for transportation.
