Looking Ahead 2021-2022 School Year

Despite the uncertainty of our current situation, soon our staff will begin the process of creating tentative class lists for next year. Our primary goal is to develop well balanced classes. We strive to balance the classes in terms of overall numbers, gender mix, academic ability and social and emotional concerns.

We appreciate your confidence that we will place your child appropriately, given the above criteria.

Sometimes parents have information which might have an impact on our decision making. If you have information you would like to share regarding your child's needs, **please submit it via email prior to May 31st** (moraine.hills.ps@yrdsb.ca)

We appreciate your input and will certainly take it into consideration; however, please do not consider it confirmation of a particular placement.

If you are moving away from the Moraine Hills P.S. area, or if your children will not be returning next year for any other reason (besides graduation), please let us know as soon as possible. This information is important to us as we begin organizing classes for next year.

ECO NEWS—Earth Week

The week of April 19 - 23rd was Earth Week at Moraine Hills. Through the amazing leadership of our Grade Eight students, classes looked at different ways to "Be Kind to the Environment". Students shared presentations about Phantom Power, Waste Free Lunches, Single-Use Plastics, Earth Hour and GOOS paper. Even though we were unable to be together for the classroom challenges, students challenged family members to examine and try new ways to help the earth from home. The week wrapped up with an Earth Week Jeopardy Challenge. If you would like to learn more about MHPS Earth Week, please go to our We The Kind Website (link is on the front page).
